Until this semester I never realized that the real purpose of Student Cabinet is to advise the administration on all student affairs outside the classroom. If everyone would remember this, the gap between "we" the students and "they" the administration would be lessened considerably. I also learned the importance of working together in a common cause. I'd like to thank the entire student body for making this and much more possible for me as your student body president.

I'd like to thank the administration for all their help and cooperation this semester. But there is one person to whom I owe the success of this semester — Mr. Silverman. I thank him not only for his guidance and advice, but for his friendship and encouragement. I also owe a lot to nineteen wonderful people who served as your student body officers. Each cabinet member did a job far above what is expected. No one realizes the time and effort put out by these people. So in this small way, I offer a large thank you.

The spirit at Cleveland was outstanding this semester, and that is what keeps us number one. I will miss Cleveland when I graduate, but I will have many happy memories to look back on. I hope you will be able to, also.

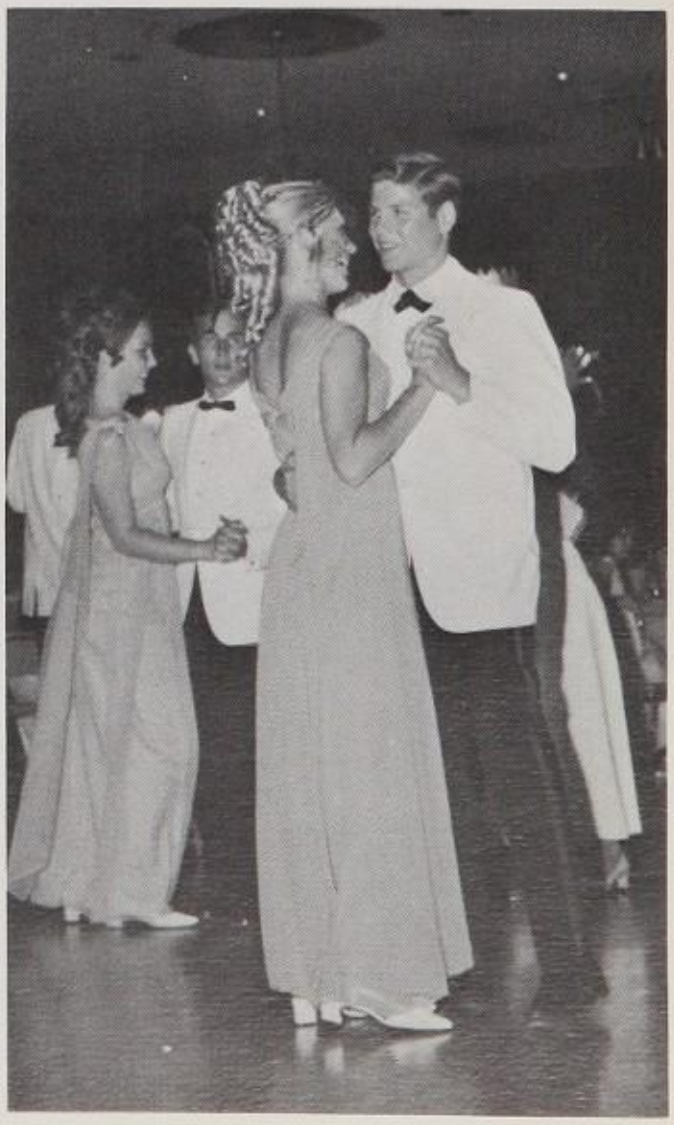
Romantic Odyssey

Braving the challenge of new worlds
We search the unknown for maturity.
United, yet still alone,
Begins our "Romantic Odyssey".

On April 26, 1969, the count-down to graduation began with the annual senior prom. Seniors dressed in formal attire and met at the Castaways in an atmosphere of celestial beauty. Sculptured stars and delicate mobiles helped to convey our theme "2001: A Space Odyssey."

Highlighting an evening of dancing, socializing, and excellent food was the announcement of the Denerian court. Bill Randolph was crowned King and Betsy Ghiglia was our Queen.

Then together, the royal couple led the traditional promenade as others followed.



Hypnotic Happening

On October 21, 1969, in reward for purchasing an activity card, Cavaliers were mystified by professional hypnotist George Sharp. Sixteen students were chosen to partake in the entertainment. Before the first assembly, the participants were taken to a room and programed with a hypnotic disc.

At the ringing of three bells, Cavaliers crowded into the boys' gym to view the mental magician. By asking the participants to recall the hypnotic disc, Mr. Sharp committed them to his will. Under his influence the students were unable to bend their arms or remember their names. They were compelled to recall a funny incident, then visualize the saddest. Mr. Sharp also had the girls pose as weight lifters and the boys as beautiful women. Using the power of suggestion, the students imagined themselves in a space ship talking in martian to a man from outer space. The climax came during the second assembly. Mr. Sharp balanced himself on petite Jody Diamond, who was supported by two stools at her head and heels. The power of hypnosis made her rigid enough to support his weight. Awed by the psychic scene, Cavaliers seemed to agree that the assembly was an overwhelming success!

Drama Hath Told The Story Of J.B.

The play J.B. is the updated version of the Biblical story of Job. J.B. is a successful man. His prosperous business, loving family, and affluent life reflect the blessings of God. Mr. Zuss (God) and Nickles (the Devil) argue over J.B.'s loyalty to God. Will it continue when his luck is altered? Facing the death of his children, the desertion of his wife, the disfiguration of his body, and the very questioning of his soul, J.B. does remain faithful to God. At the conclusion of the play J.B.'s wife returns, bringing him renewed hope and faith in life.

A Bewitching Costume Day

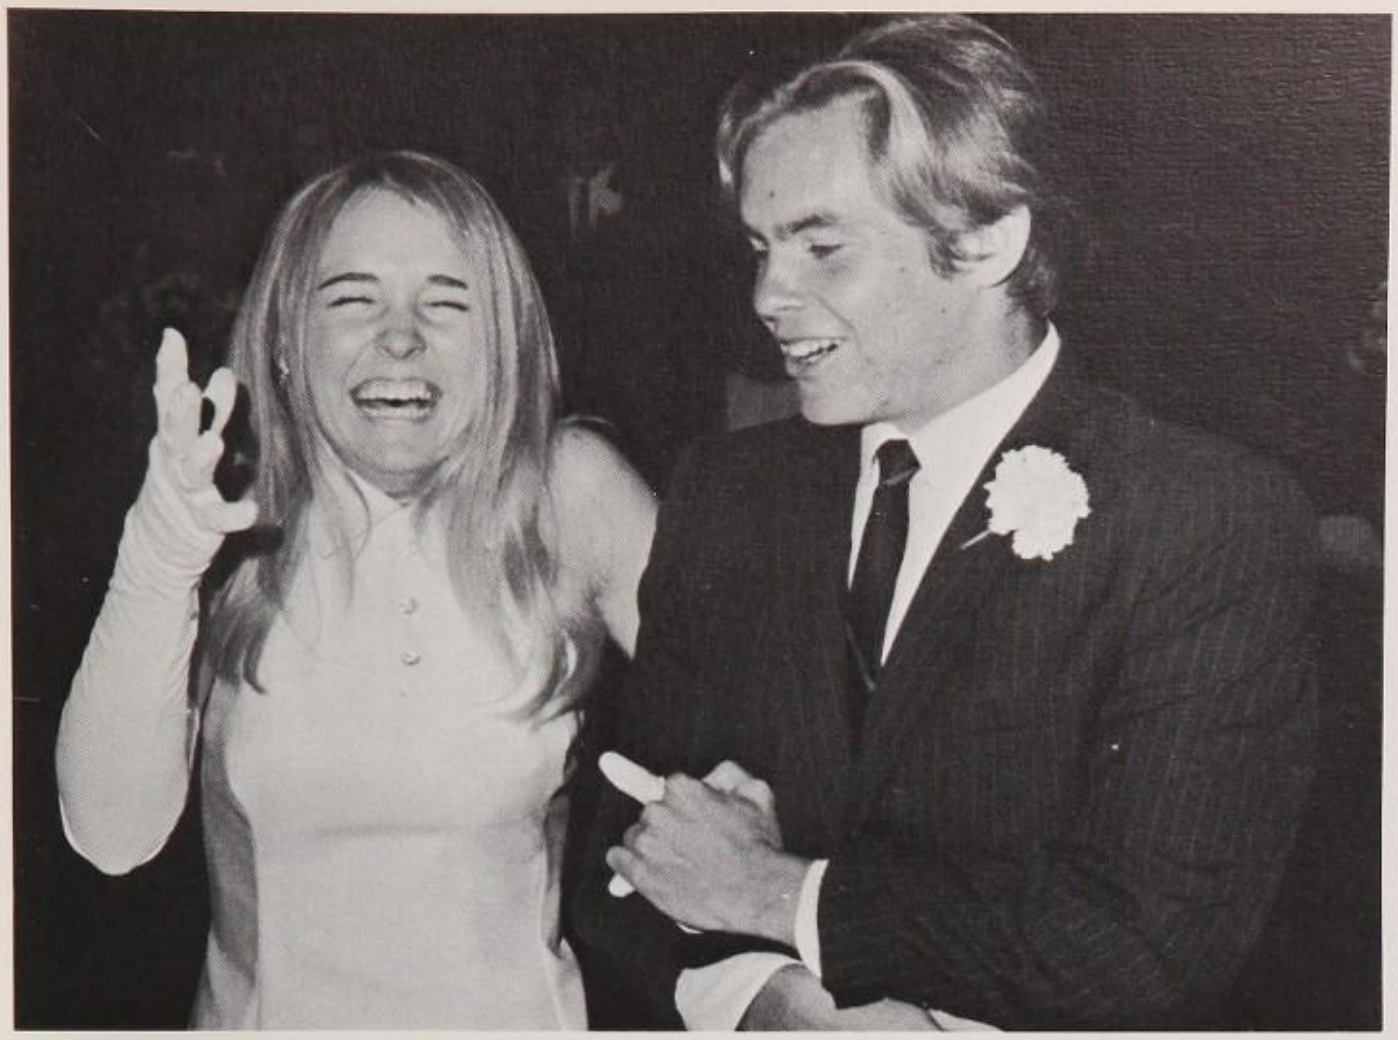
On October 31, 1969, visitors to Cleveland were spellbound by the sight of walking bushes, wild Indians, a cheery Santa Claus, and Little Bo Peep. What is the explanation for this mass masquerade? You guessed it! It was Halloween Costume Day and once again Cleveland students conjured up our fantastic Cavalier spirit!

At noon, the difficult job of choosing winners in various costume competitions took place on the Senior stage. Recipients in Boys' and Girls' competition were Debbi Bakst as Aunt Jemima and Dale Hannaford as a "sexy broad." The Most Unusual Award went to Darnice Foley for her African native costume. The award for Best Couple went to Mark Ryan and Nancy Chapman for their interpretation of the "dirty old man" and "prudish bag" of TV's "Laugh-In."

Powder Puff Playoff

On November 14, 1969, the sun beat down on the famed Cavalier stadium as excited sports fans awaited the start of Cleveland's first powder puff football game. Pitted against each other in gridiron competition were the Cheerleaders and "Student Cabinet Girls." Student spirit was aroused by our lovely new cheerleaders; Sweet Steve Reynolds, Merry Mike Boyce, Beautiful Bob Fetty, Dandy Dave Cunningham and Risque' Randy Jones. Cheers were led by the soulful Sir Cavalier, Lisa Joy Teddy.

The Cheerleaders won the toss and chose to receive. Debbie Dierinzo kicked off for the Cabinet. Although they tried hard to advance the ball, the Cheerleaders were unable to significantly move it and the Cabinet soon took over. On a series of well-executed plays, Student Cabinet crashed through the Cheerleader defense as wingback Nancy Chapman hit paydirt for six points. The Cheerleaders then took possession of the ball and moved steadily toward their goal. George Simon climaxed the drive when she bucked through the Cabinet defense to score. A successful conversion attempt gave the Cheerleaders an 8-6 lead. However, Cabinet managed to once again send Chapman over the line to conquer the Cheerleaders with a final score of 12-8. The quick moving Cabinet showed the Cavalier spirit squad that it takes more than soul to score.

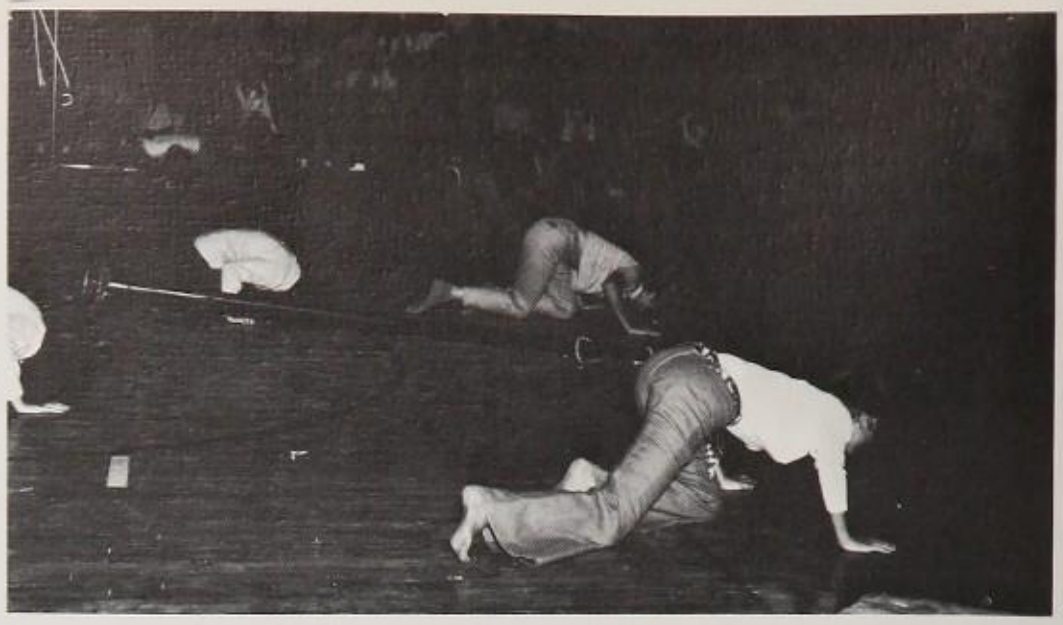


Spirit, by george!

Spirit Week, due to the energetic work of student cabinet and our wonderful Director of Spirit, Bev Segner, was a fantastic success. To climax a week of activities such as a milk drinking contest, a soda cracker relay, and a bubble gum blow, Cleveland held its annual Homecoming Game and Dance.

On November 7, 1969, under a cloudy sky and stadium lights, Cavaliers and alumni witnessed the crowning of this year's lovely Homecoming Queen. Bubbly junior, George Simon was escorted down a blue carpet and crowned by last year's beautiful queen, Debby Landon. George's charming royal court included Bev Mangia, Vicki Larsen, Jodi Berman, and Wendy Lockwood. Dressed in elegant formals, each girl represented our fantastic Cavalier soul.

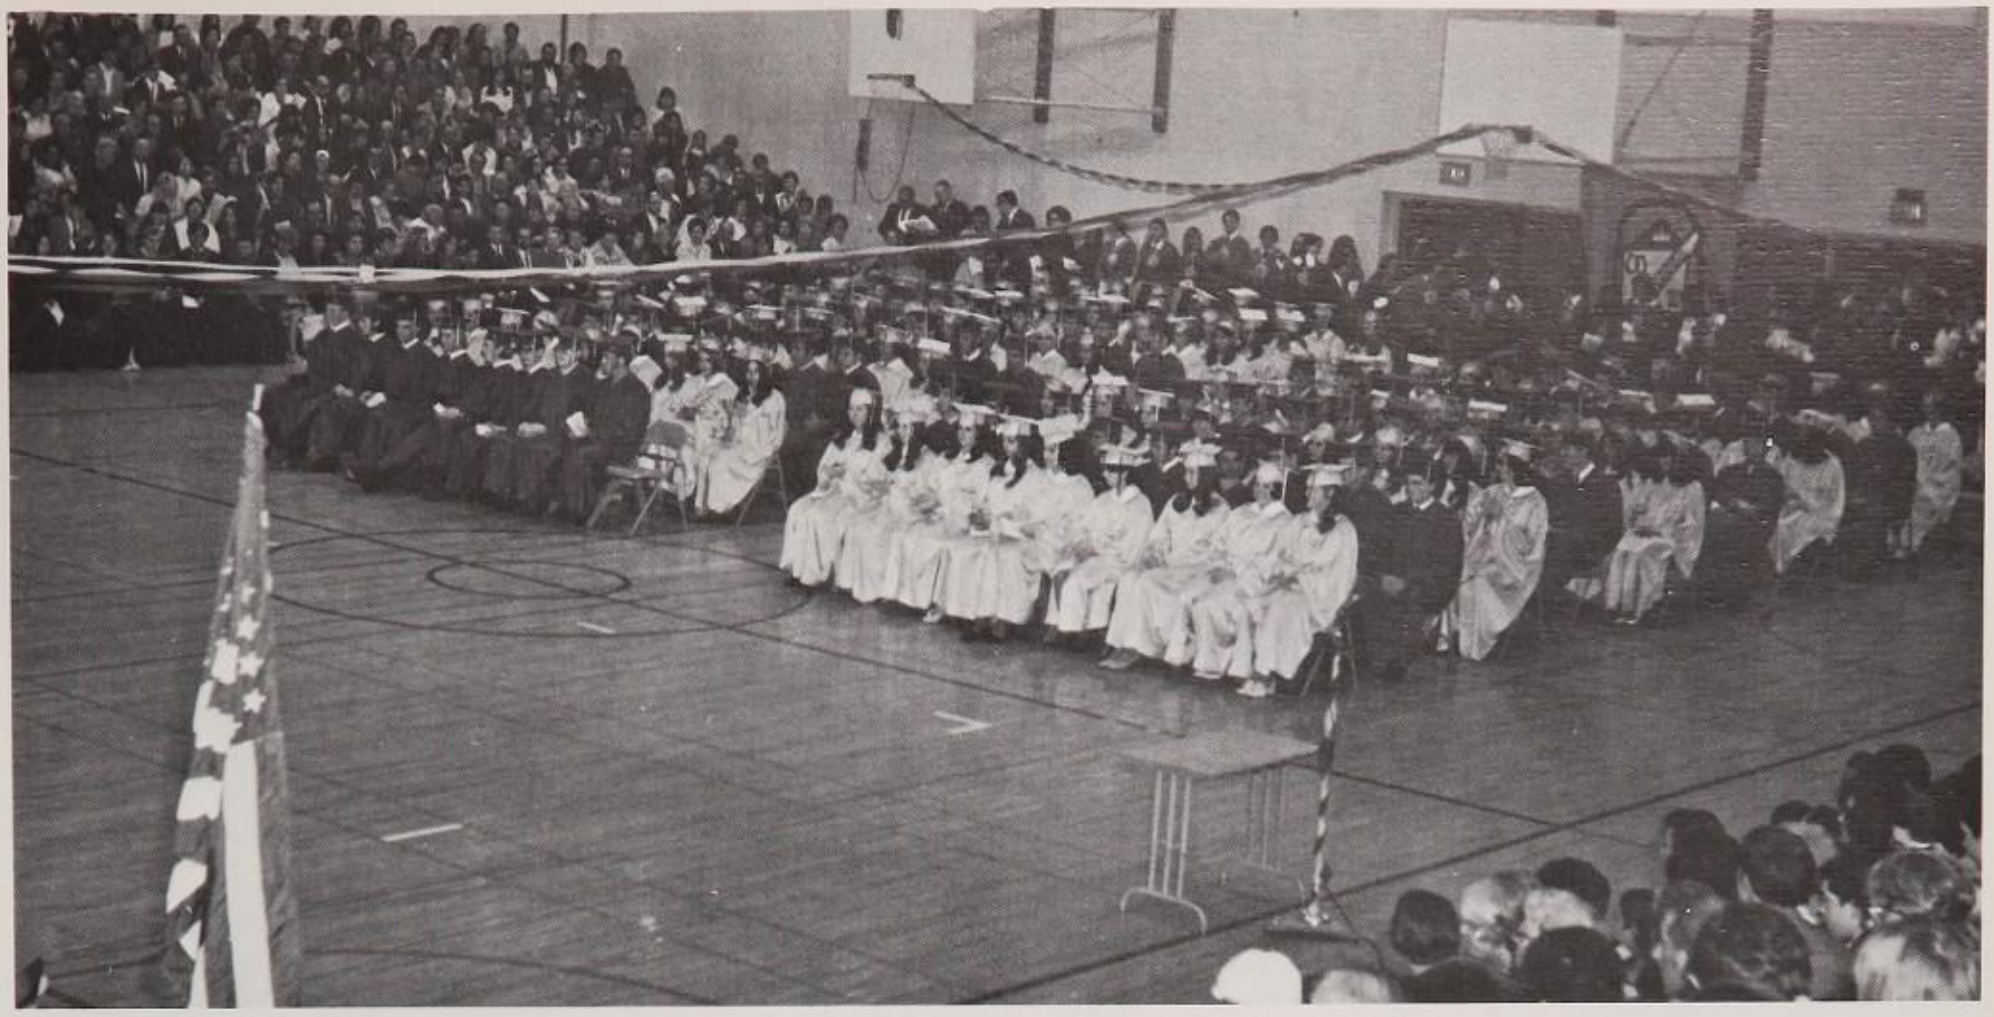
The Homecoming Dance was held after a victorious game with Canoga Park. It began with the traditional dance of the Homecoming Court with their escorts.



Senior Sweater Day: A Spirited Success

On October 29, 1969, Denerians and Telemians joined together to make our senior activity day the most exciting ever! Seniors entered the boys' gym to the sounds of "Late August." Soon the gym was filled with energetic individuals and the activities began. First on the agenda was the girls' tug of war. Although both teams pulled for a win, it was the Senior A's who eventually proved that they knew how to throw their weight around. Also another one of the first events to begin was the "Mr. Cool" contest. Denerians, Ray Cline, Mike Reno, and Mark Ryan competed against Telemians, Mike Suhd, Bob Serabia, and Don Cooper. Nearby, boys and girls were piling up into two separate pyramids. Next followed the "peanut push" contest in which seniors pushed their peanut across the gym floor. The only casualty of the day occurred when "Red Nosed" Debbi Schaack skinned her nose in a noble endeavor to win.

Meanwhile, back at the ice, four Cavaliers still strove to be "Mr. Cool." That is, until Mr. Josephs cooled off the competition in the fear of making the remaining seniors ill. Ending the day of competition was our "jello eating" contest in which representatives from both classes proved that there is not always room for jello! The enthusiastic participation of the Senior classes truly made our Sweater Day the best!



Dawn Of The Denerians

January 30, 1970, saw, through tears and laughter the culmination of the Denerians' dramatic three years. Girls bedecked in caps and gowns of powder blue and boys in burgundy sat proudly in Vainqueurs Hall. They represented Cleveland's last Winter Class. After the processional, in which 193 individuals walked slowly toward the future, the Denerians told of the accomplishments which made them one of the most outstanding classes in Cavalier history. The highlight of the evening was, of course, the presentation of diplomas by Miss Hofer and the Class Sponsor, Mr. Emory Josephs. Jim Cameron, Denerian Class President, accepted the diplomas with sincere words of hope and gratitude. Then, for the final time, Denerians saluted Cleveland with the alma mater. After the ceremonies, most of the graduates went to the all-night party at the Bel Air Country Club, but all had taken their first step toward the future.

You, the students of Cleveland High School, elected me Student Body President this past semester. I feel humble and honored, for this office represents the "soul" of our school.

Whether the "soul" is worth saving becomes my question. But, while it is mine, it is also yours. Have I done what I could to make life at Cleveland High School more meaningful? After your vote, did you offer support for my efforts? As the Student Body President, is there much that I can do to effect change? Is there much you can do as the student body? Are we victims of a rigid system? What voice do we really have in forming policy? What is our record?

During the year, we organized a student forum where current social and political issues could be discussed. We completely revised the constitution to make it possible for more students to participate in representative government. We organized assemblies on the basis of student interest. We planned and executed the usual number of dances and sports nights. We planned and held an Environmental Week and participated in the usual leadership conferences.

Can we be proud of our accomplishments?

I believe we can, but at the same time, there should be a certain amount of dissatisfaction. Unless we leave a legacy of pleasure as well as pain, we cannot ask the juniors and sophomores after us to be either hostile or complacent.

I hope the administration and faculty continue to make student government more meaningful. And I hope future students will remember us for the positive manner in which we acted and the resolute strength we exhibited as we tried to grow.

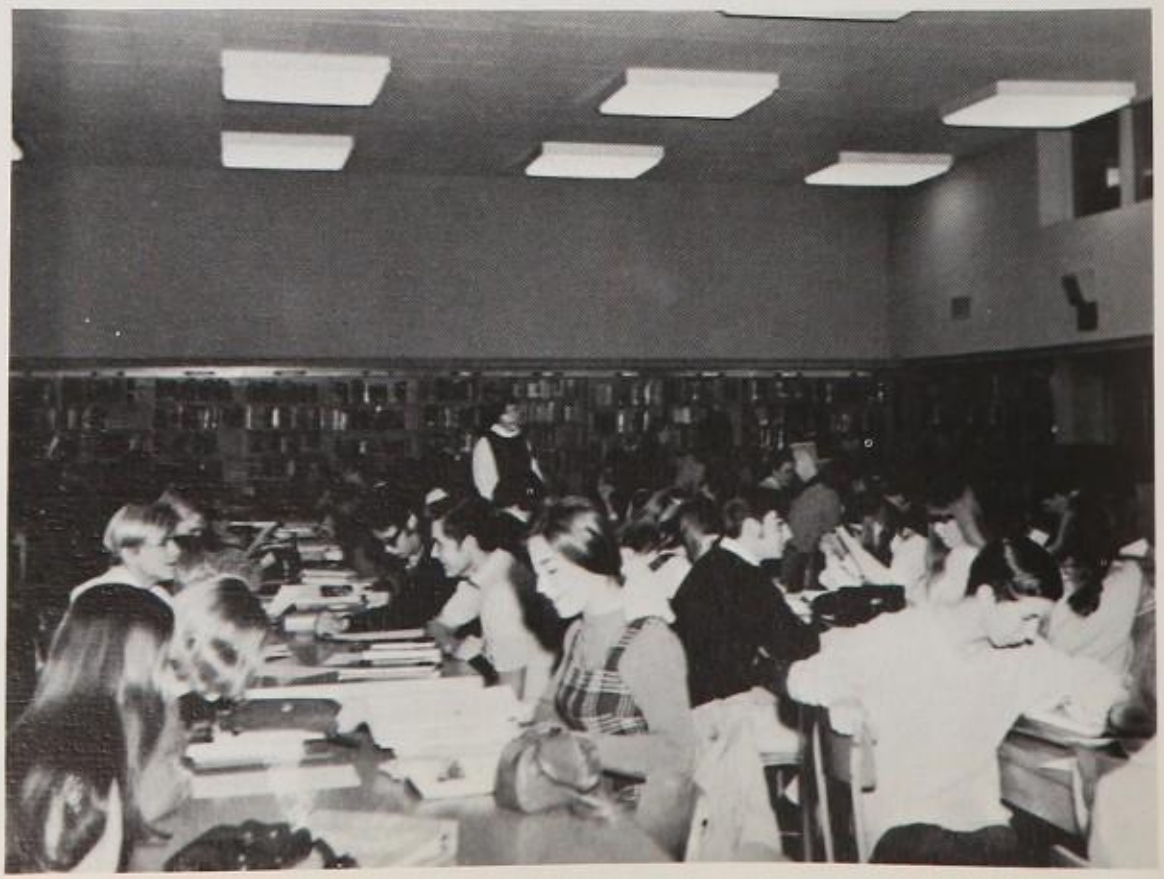
House of Representatives: Battleground of Ideas

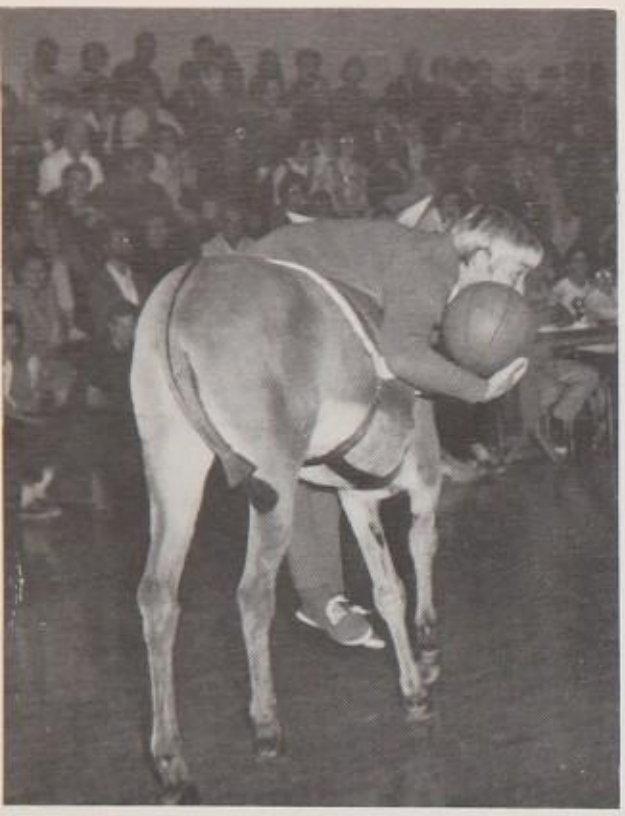


A Time For Us

On Saturday, December 6, 1969, D'Artagnan Hall was transformed into the courtyard of a medieval castle for the annual Girls' League Vice-Versa Dance. Through the efforts of Girls' League President, Debbie Dierinzo, and Vice President, Lois Whitley, the atmosphere of D'Artagnan Hall was reminiscent of the vanished age of chivalry, romance, and pageantry—the age of Romeo and Juliet. Coats of arms, swagged between silhouetted windows, glorified the grey stone walls which surrounded the castle courtyard. Tall stone towers, castle gate, and a canopy of royal purple and ice blue streamers helped to capture the theme: A Time For Us.

Couples in semi-formal attire danced to the exceptional music of "Boon." During the band breaks, selections from a Henry Mancini album, including the "Love Theme from Romeo and Juliet," were played for everyone's enjoyment. Couples were invited to feast on delicious cookies and drink the delightful punch served by the Marquisettes and Yeomen.

Following the dance, couples repeated tradition by eating a late supper at various community restaurants. The girls treated their escorts to a magnificent evening.

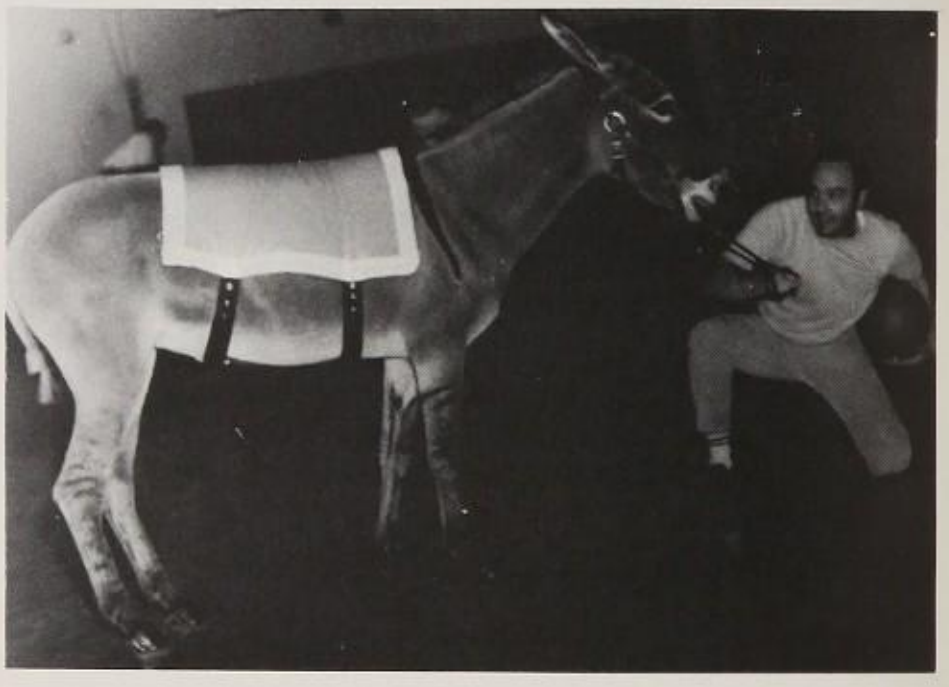


The Faculty's "Lady in Red" was Mrs. Yvonne Fisher.

We thought the game was supposed to be played on top of the donkeys!

No horseplay!

Hoofed Hoopsters



Touchdown!

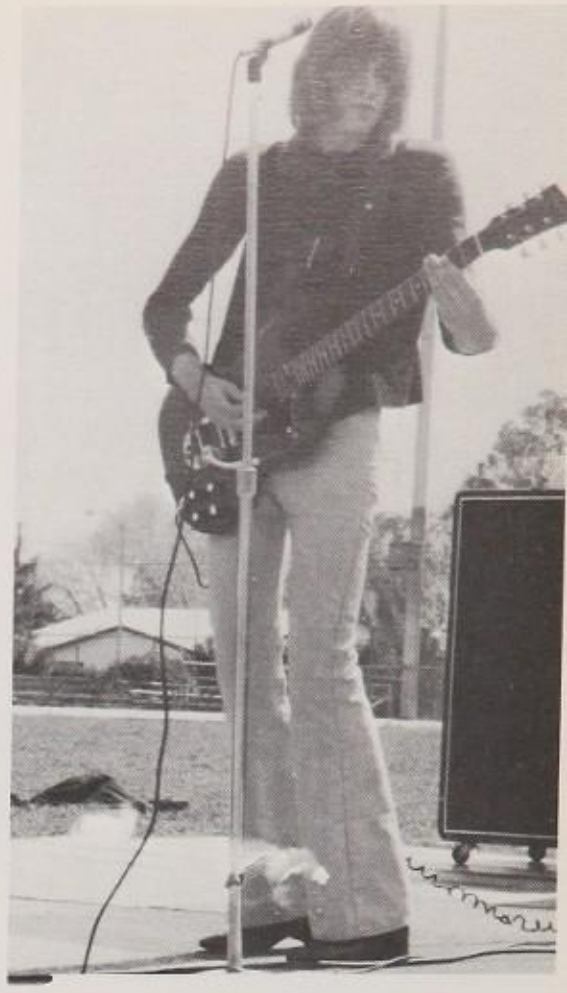
Jumping Joe Morello is having some trouble, but after 19 or 20 tries . . .

This group seems to be having trouble moving their asses.

I and eleven other donkeys went to Cleveland High School on December 17, 1969, to partake in the school's first donkey basketball game. We, the work-horses (if you'll pardon the expression), were disappointed in not receiving the recognition we deserved. The game began with one of my friends dropping a few things, but soon all was swept up and the contest was on. Although the Faculty received the ball first, the Lettermen were first to score. By the end of the half, the game was tied 12-12.

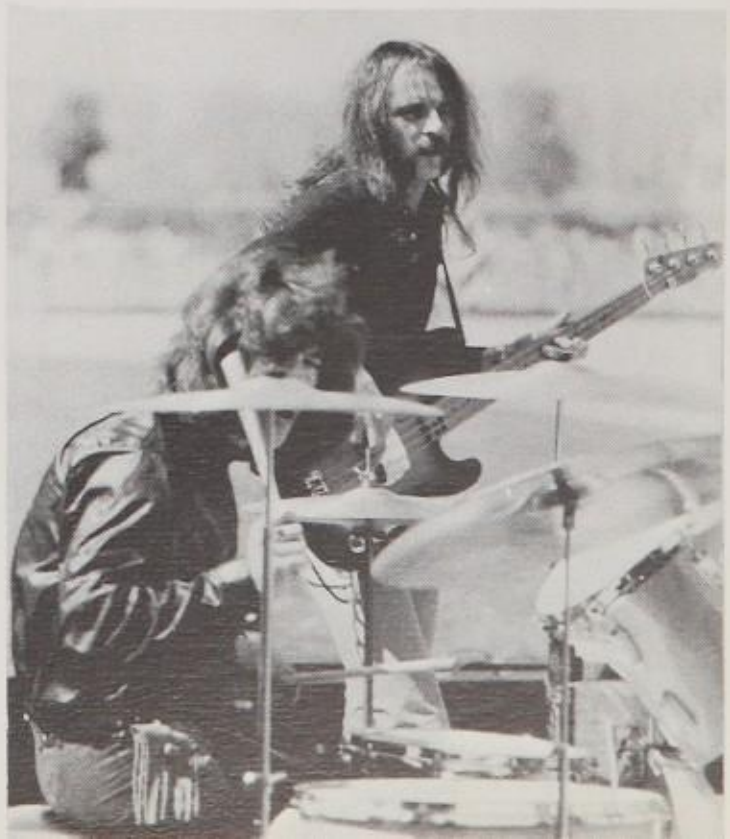
Half-time came and the Booster Club, which sponsored the game, sold donuts and coke. Do you think they'd think of us? No! All we wanted to do was hit the hay.

The buzzer sounded and the second half began with a Fenwick/Federer combination that sunk three of the first four shots. An exceptional play was made by quick thinking Brian Wines who held the basket shut on Mr. Silverman's shot. However, Mr. Silverman was rewarded the basket. At the game's end, the Lettermen had bucketed 32 points to the Faculty's 30. When I trotted out for a shower and a good rub down I heard Coach Nye comment on their Varsity Club win. "Hey, Faculty! Maybe next year!"



Cavaliers Fall "Head Over Heels" For "Bones"!

On March 11, 1970, even the sun turned-on to Cleveland's first out-of-sight, mind-blowing, heavy, hard rock happening. Activity card holding Cavaliers massed into the football bleachers to experience Cleveland's first pop fesitval. "Bones" performed a fantastic program of various originals. "Head over Heels," however, would not be upstaged and one of the members ran hurdles in rhythm to a "Bones" selection. "Head Over Heels" followed, displaying the hard rock ability that makes them the "biggest group east of the Mississippi." Cleveland's pop festival was certainly one of the best!



Cavaliers Souled On Spirit

Spirit Queen Jodi Berman and her escort Jim Fenwick.

Enthusiastic Cavaliers exhibited their spirit by participating in athletic competition, dramatic presentations, and social events during Spirit Week. Various activities were conducted during the week of March 16-20 to promote Cavalier spirit. Julie Norstrand stole the show, and the first place trophy, with her outstanding performance in the talent contest on Monday. Gail Burwell, with 53 cards, received the title of "Miss Irresistible" at the close of "Hush Day" on Tuesday. On Wednesday, Soul Society celebrated Grover Cleveland's birthday with a skit at noon. More dramatic presentations were offered Thursday by the members of Drama Club. Friday was the climax of a soul-filled week. The highlight of the Senior-Faculty softball game was the coronation of this semester's Spirit Queen, Jodi Berman, and the introduction of her lovely court.

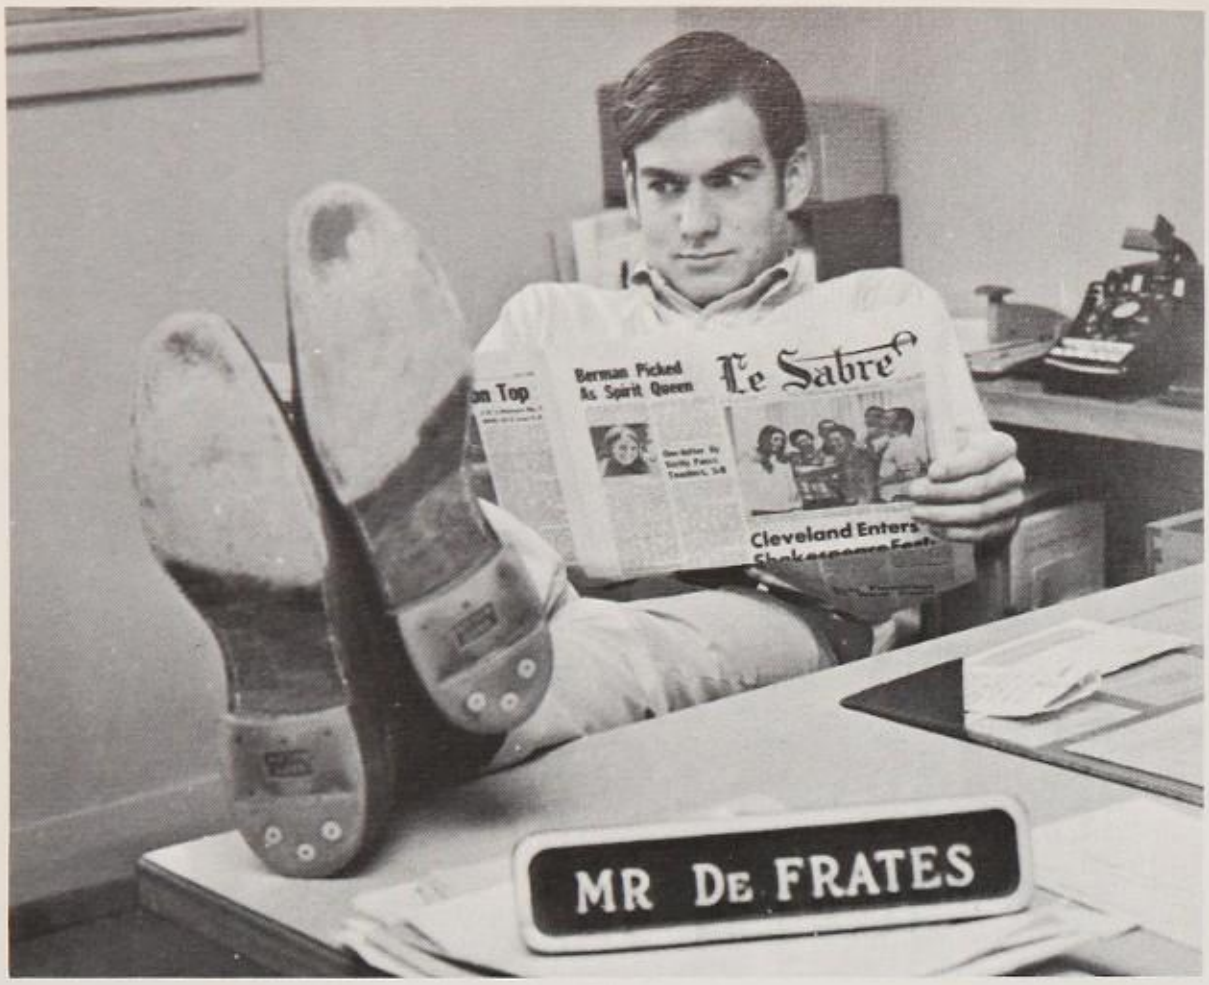
Princesses and Escorts: Debbie Beam and Joe Morello, Mary Soltwedel and Phil Kanehl, Vickie Larsen and Tom Franklin, Odette Lockwood and Brian Wines.

Cavaliers "Bury The Dead"

Cleveland's talented Play Production class proved that Cleveland has, by far, the best Drama department in the valley. On March 18, 1970, at Valley College, our Cavalier dramatists performed Irwin Shaw's "Bury the Dead" in the yearly One-Act Festival. During "the second year of the war that is to begin tomorrow night," six American privates are killed in action, but refuse to be buried. The burying detail is at first alarmed, but soon finds sympathies with those whose lives have not yet been fulfilled. Wives, sweethearts, and sisters are summoned to persuade the dead to be buried, but all six remain unmoved. In the end, they are machine-gunned, but each walks passively off stage with his living comrades.

But Shakespeare Is Reborn!

The 50th annual Shakespeare Festival was held at U.C.L.A. on April 25, 1970. The competition, sponsored by the Drama Teachers' Association of Southern California, revolved around three selected plays which were judged by noted actors. The three Shakesperian selections this year were "Richard III," "Romeo and Juliet," and "Twelfth Night." "Richard III" is the history of Richard of Gloucester, who murders for his crown and lives the violent and courageous, the cruel and wanting life of a King. "Romeo and Juliet," one of Shakespeare's best known plays, is the story of star-crossed lovers and the tragic nature of their love and death. The third play, "Twelfth Night," is a comedy concerning mixed-up love. Each character loves another whose identity itself is consistently uncertain. In addition to the fine performances by Cavalier drama students, elaborate costumes were crafted by Cavaliers.



The His And Her Of It!

Once a year Cleveland honors everybody! Both Boys' and Girls' Weeks were held during the spring this year.

Girls' Week bustled with activities. On Monday, girls were invited to display their collections and hobbies in D'Artagnan Hall. Among the assorted exhibits were collections of stuffed animals, post cards, and doorknobs. Each day of the week, girls paid tribute to a famous woman in American history, recalling the events and deeds for which she became renowned. The student forum, which was taken over by the girls, became a battleground where the different opinions concerning abortion were championed. The coffee house sing-a-long and get together on Friday was the highlight of the week.

Male Cavaliers attended two assemblies. The first was presented by our fantastic speech students. The USC wrestling team demonstrated the techniques of their sport at the second assembly. The Car Show was the best Cleveland has ever witnessed. The wide variety of customized automobiles and trucks exhibited in the parking lots was a confirmation of Cavalier interest and participation.

Similar activities were conducted both weeks. Interested students were given the opportunity to assume administrative positions in both the school and the community. Both weeks also sported a Faculty-Student volleyball game.

Jana Christianson as Aldonza

The Quest of Quixote is the Spectacle for Spring!

In a Spanish dungeon, Cervantes and his faithful servant Sancho await a trial for heresy. When the other convicts find and threaten to destroy Cervantes' manuscript about a gentle, idealistic man and his quest to dream the impossible dream, his servant and he assume character roles and enact the story. With a wash basin for a helmet and a sagging mare for a horse, Don Quixote "de la Mancha" battles with windmills and the hearts of men. In his fantasies, he views the kitchen harlot Aldonza as the virtuous lady of his mind, Dulcinea. Yet, when she believes him, the cruelties of her life drag her back to reality. When Quixote battles the Knight of the Mirrors, he is forced to see himself as he is—an aging fanatic. Dispirited, he awaits death. As he lays dying, Aldonza bursts into the room and kindles in him again the dream of a better world. With Quixote's death, the beautiful dream succeeds—Aldonza becomes Dolcinea. The play closes as Cervantes leaves for his trial from a newly illuminated world.

Plight Of The

Pollu

Every three days, the number of world births equals the number of deaths mankind has suffered in all the wars in his history — Population. On a smoggy day in Los Angeles, we breathe the equivalent pollutants found in a pack of cigarettes — Air. Remember the Santa Barbara oil slick? — Water. Man is being overwhelmed and engulfed by the pollution of his world. His water, land, air, and food are polluted with mankind's wastes and abuse.

Through the fantastic effort and involvement of Erik Lauritzen, Director of Drives, and his assistant, Shaun Tolmas, Cleveland held an exceptional Pollution Faire on April 8, 1970. This, the most worthwhile activity of the semester, was designed to acquaint Cavaliers and the community with ways in which we can overcome the doom which now lurks in our future. If our environmental situation is not remedied soon, man will achieve in a decade what wars and the temper of nature could not achieve in the million and a half years of his existence. We face the same extinction to which we have subjected such animals as the Carrier Pigeon, Steller's Sea Lion, and the Sperm Whale.

From 3:00 P.M. to 9:00 P.M., exhibits, films, and activities concerning pollution were on continuous display for interested spectators. D'Artagnan Hall was filled with displays on the pollution of water and air by cigarette smoke, automobiles, over-population, D.D.T., noise,

Populace:

tion

wastes, and other assorted factors. Petitions calling for conservational action by the government as well as free literature and lectures were obtainable throughout the room. Members of the P.T.A. sold baked goods and punch to raise money for pollution prevention projects.

Following the opening ceremonies conducted by Mike Suhd; Miss Rakestraw; Vern Bullough, a candidate for the State Assembly, and Erik Lauritzen's trash dedication, numerous rooms were opened to give the spectators the opportunity to see films and attend lectures sponsored by members of the Tule Elk Society, the Sierra Club, and other conservation-minded organizations. Letter writing sessions to government officials and concerned organizations were held in D-2. In D-8, Punch and Judy puppet shows entertained as well as informed the viewers about pollution. The highlight of the faire was the tours through the Walter J. Hickel National Monument conducted by Steve Bird. The tourists, traveling through the smog conveniently supplied by Los Angeles, saw the smoky gray sculptures used to pump oil (sometimes into our oceans), an automobile, and a tower of refuse. Following the faire, a Cavalier conservation group was formed. The pollution program closed with a solemn dedication to the wildlife now extinct. Who will light a candle for man?

The Ephebian Society is a civic betterment and service organization. Ephebians are selected on the basis of outstanding character, leadership ability, high scholastic achievement, and demonstrated service. The Society's major purpose is to focus the attention of its members upon matters of civic and community leadership, improvement, and service, and to inform and encourage the membership to actively participate along these lines.

One student from each forty, or approximately 2½% from each graduating class, may be chosen as an Ephebian. To qualify scholastically, the candidate must have maintained a B average throughout his senior high school years.

Bank of America Zone Candidates

The Les Memoires Staff is proud to present Cleveland High School's four Bank of America Achievement Award candidates. The purpose of this award is to recognize and to honor outstanding seniors whose scholastic attainment, sense of civic responsibility, and evidence of leadership give most promise of future success and service to society.

The Achievement Awards Program was first introduced to the schools of the Los Angeles City School District in 1948. Cash awards, trophies, and certificates have served to emphasize the value of self-improvement, service to others, and individual achievement.

The awards program has been expanded to include all high schools throughout the state. The state is divided into nine geographical divisions, each with an approximately equal number of students. The schools within each division form an independent program and winners do not compete against winners from other programs. The nine divisions are divided into zone areas. Cleveland is a member of the West Valley Zone.

We are proud to announce that Odette Lockwood and Jardene Pearson won second place in their categories in zone competition.

William A. Farmer Service Awards

The William A. Farmer awards were originated to recognize two Senior "A" students, preferably one boy and one girl, who have contributed outstanding service to Cleveland in at least two fields. This award easily distinguishes these individuals from Ephebians since the only grade requirement is a C average. The award was named in honor of Cleveland's first principal and is presented at the senior luncheon.

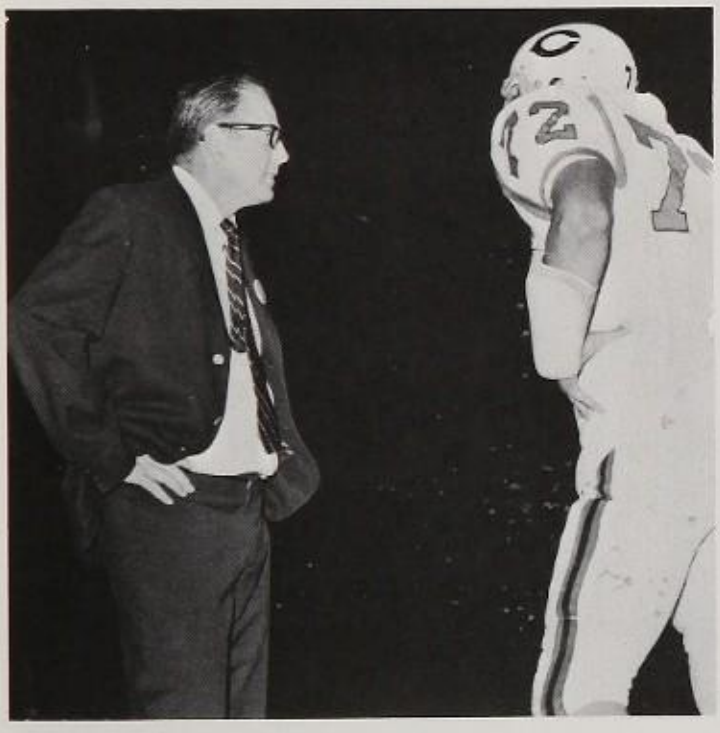
Grover's Gridders



After a rugged pre-season scrimmage against Monroe, the Cavaliers opened the season with a non-league contest with Granada Hills. Both teams showed fantastic offensive powers, with Granada Hills coming out on top 19-12. Halfback Jim Fenwick displayed his talent by gaining 163 yards and scoring both touchdowns, while Rick Merchant collected 3 passes for 44 yards.

The Cavaliers' second contest of the season was lost to Birmingham. We fell behind and had to fight back for the remainder of the game. Jim Fenwick led the Cavalier offense with 114 yards and all of Cleveland's tallies. The defense was led by Bill Nye, putting his "All" in every play. Despite their efforts the Cavaliers could not take the lead and the game ended with a score of 15-12.

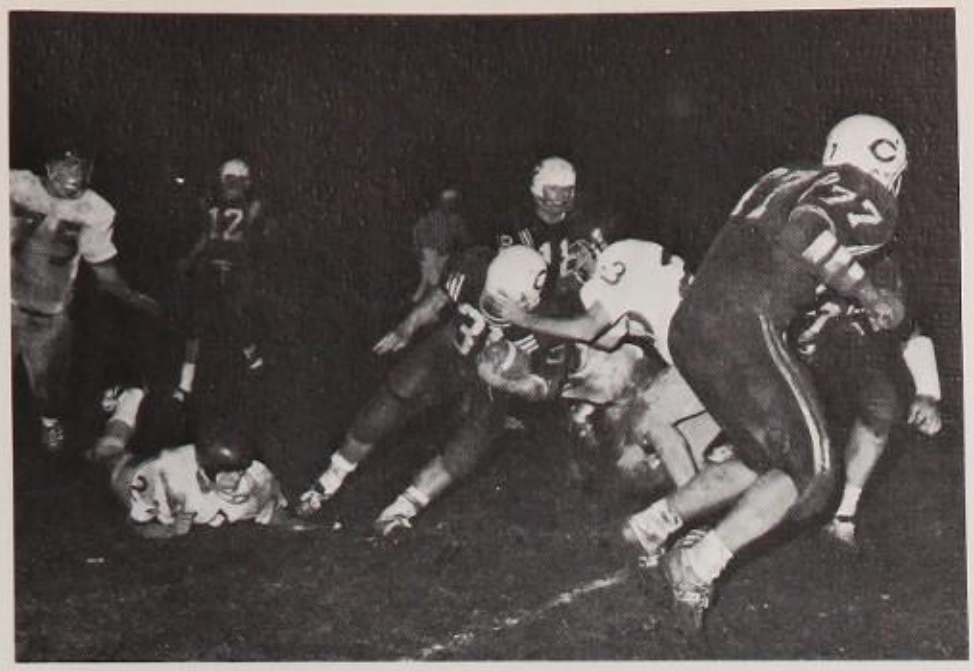
On "Dads' Night," at Cleveland, the Cavaliers became a new team. After Fremont's Pathfinders had scored on a quick interception, the Cavaliers retaliated with Jim Fenwick scoring the first touchdown and both two point conversions. He then passed to Dave Clark for 6 points with Bill Randolph making the final touchdown to clinch the game with a decisive victory of 22-13 for the Cavaliers.

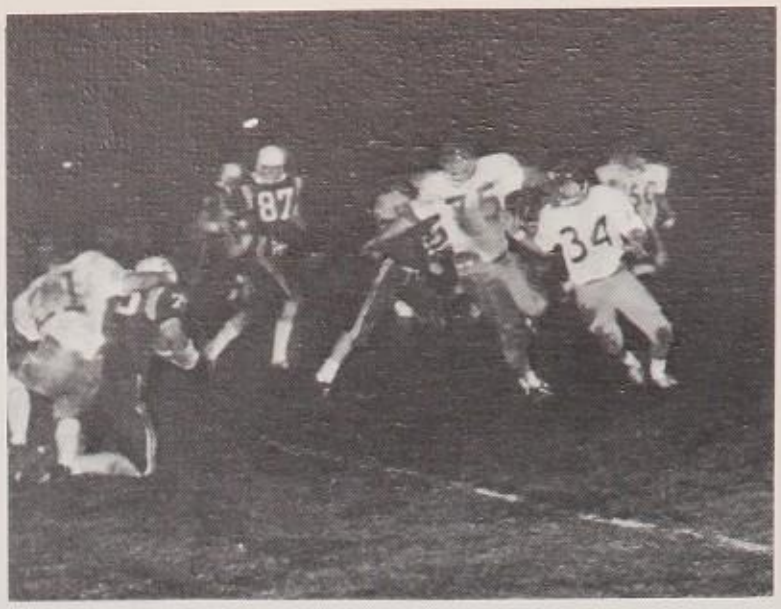
The Cavaliers excited a capacity crowd with an overwhelming victory over Chatsworth in their first league game. Both the Cavalier offense and defense displayed their fine talents. The mighty offense rolled up a total of 305 yards, while the rugged defense recovered four fumbles and intercepted one pass. Cleveland scored the opening touchdown with a nine yard run by Jim Fenwick. On the next drive, Phil Kanehl connected with Phil Barnes for six points, and Joe Morello bucked over for the two point conversion. With less than 30 seconds left in the first half, Kanehl again hit Barnes for sixteen yards and another score. The Cavaliers fourth touchdown came with less than three minutes into the second half with a 78 yard march capped by a 60 yard touchdown run by Frank Bowling. The defense for the Cavaliers continued to have a fantastic night, ending with a final score of 30-12.

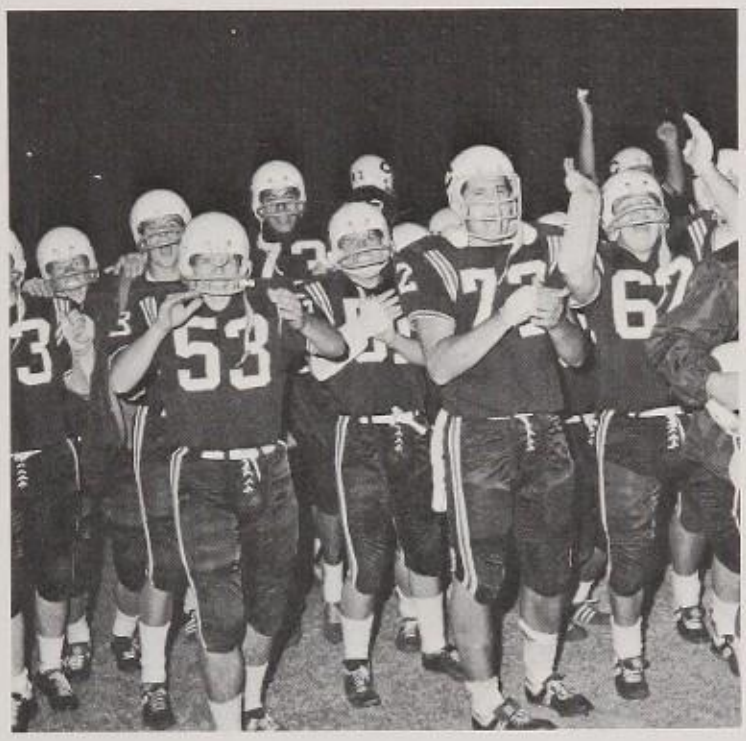
It was a battle of the defenses at Taft High School in Cleveland's second league contest. After a tieing battle in 1968 the Cavaliers came up with another frustrating tie in 1969. Cleveland fought to the wire, holding Taft until the last 47 seconds when they scored on a one yard plunge. Overall statistics were practically even between both teams. Bowling led the Cavalier rushing with 106 yards. The Cavaliers remained undefeated with one win and one tie in league play.

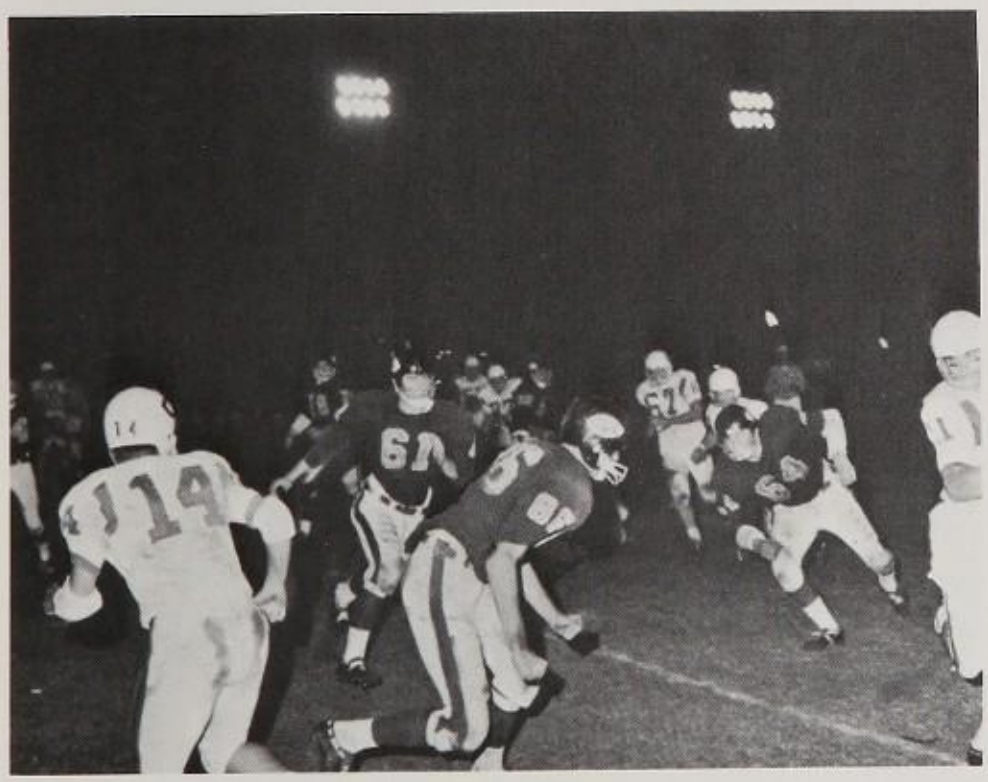
The world of high school football holds many surprises. Cleveland's Cavaliers, in all pre-game polls, were picked to wipe out El Camino Real, but managed to barely slip by the Conquistadores with a margin of 8-0. Offensively, Cleveland dominated the game, totaling 194 yards. However, the defenses proved to be equal in ability.

The lone Cavalier touchdown was tallied in the third quarter. Tailback Jim Fenwick virtually pushed himself for 14 yards in three carries to the one-yard-line. Fullback Frank Bowling then took the ball the necessary one yard into the end zone. Two points were added to the score with a reverse by Bill Randolph on the conversion.









Employing a stubborn, ball-control offense, the Cavaliers out-performed Canoga Park High with a score of 12-0. The drive for the first touchdown was started by Phil Kanehl from the 30 yard line when he hit Phil Barnes on a 29 yard gain. The 70 yard drive ended as tailback Jim Fenwick swept left on a 3 yard sweep with 3:46 left in the half. Cleveland's second touchdown came in the second half when the Cavalier defense recovered a Canoga Park fumble on the 18 yard line. On the next play, Jim Fenwick scored on a quick opener up the middle.

When the Cavaliers met the Regents in their important final league contest, they were smothered by Reseda's inescapable defense. The Regents broke quickly from the gate and went on to defeat Cleveland 31-6. The Cavaliers were left-footed all night. They ended up with a total of 92 yards gained in the game, while Reseda piled up 265. The lone Cavalier touchdown started on a 50 yard aerial by Phil Kanehl to Rick Merchant, which put the ball on the 3 yard line. From there, tailback Jim Fenwick carried it over. The dejected Cavaliers fought hard to the finish before a saddened crowd.

Junior Varsity Football

The Cleveland J.V. and Bee squads are made up of the potential players for the following year's Varsity football team. Physically, the J.V. squad is big enough for varsity, but they have not as yet obtained the experience to compete at this level. Therefore, their experience is gained in a season of J.V. football.

This year's Varsity Cross Country squad came in third behind Chatsworth and Taft, and finished with a league record of 3 wins and 2 losses. Pacing the Cavaliers was Junior Brent Tubb, who took first place in every meet this season.

The Tenth Grade team finished their season with a perfect 7-0 record. They took first place in the West Valley League with an untarnished record of 5 wins, no losses. Leading the sophomore team through its paces this season was Scott McGalliard.

Brent Tubb and Scott McGalliard qualified for and participated in the city competition. Both boys were unbeaten this year in all races.

Brent Tubb captured the city cross country crown on Saturday, December 13, 1969, at Pierce College, while Scott McGalliard came in as the sixth best tenth grade cross country runner in the city. Brent is the first Cavalier ever to win this Varsity title. In winning the race, he also tied the course record of 9:51. Brent will be back next year to defend his city crown.

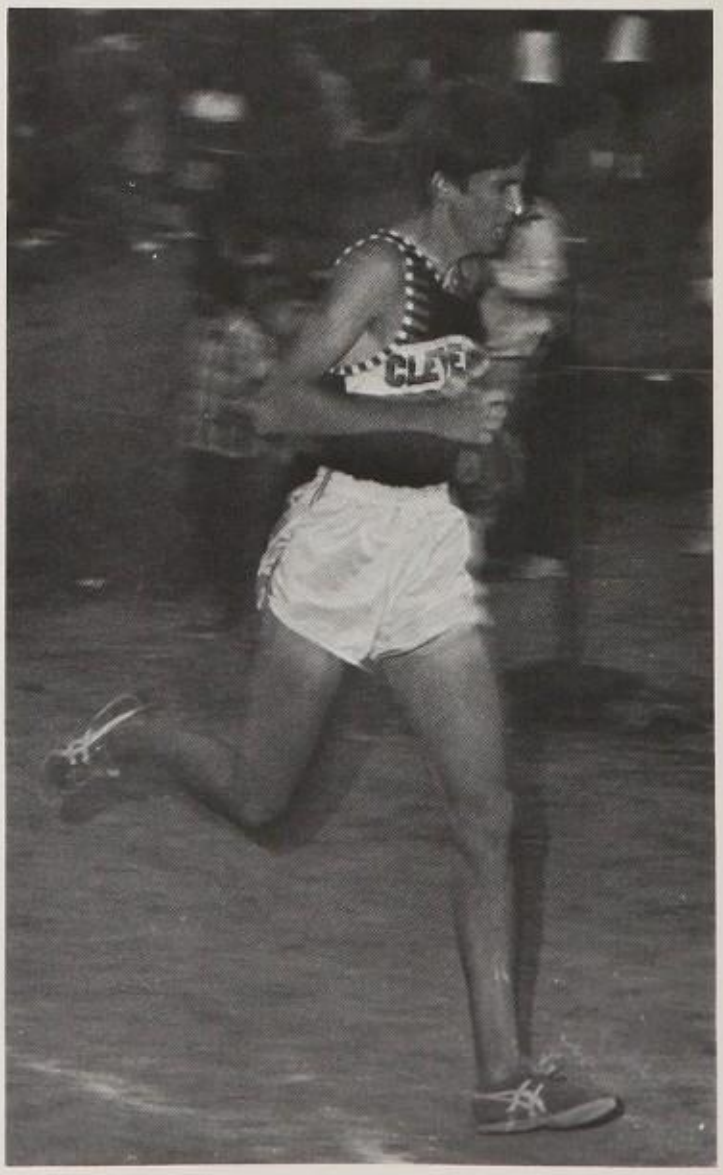
Brent Tubb shows the ease with which he ran for Cleveland last semester. Following close behind him is Senior Mike Boyce.



Ted Singer is just about to cross the finish line. Ted, one of Cleveland's top runners, has greatly improved since tenth grade.

This year's Varsity basketball team was led by Senior guard Al Nelson who averaged 22.8 points per game. Opposite Nelson was surprise Junior guard Bob Austin who dazzled the stands and tore up the defense with his remarkable passing ability. Dan Elvester controlled the center position all year and finished the season with an average of 11.4 points per game. In the forward spots this year were Seniors Paul Rolfzen, Jim Kent, and John Howley, while Junior Greg Rehberg was fast coming up in the ranks. Rolfzen finished the season with an average of 10.6 points per game. Jim Kent, a starting forward in early season play, had his season cut short with a knee injury suffered in the first Canoga Park game. John Howley came off the bench this year to supply great hustle and a quick scoring punch. Greg Rehberg was as much a surprise to the team this year as was Bob Austin. Rehberg is a tough man, and was considered by most of the team to be the roughest competitor under the boards. The Varsity squad finished the season with a 4-6 record in league play and an overall record of 8 wins, 6 losses. They had a rather disappointing season in league, but a successful season in overall play.

Coach Stan Oken retired after the basketball season this year. He will be missed for many seasons to come. Basketball just won't be the same at Cleveland High School without the "COACH."

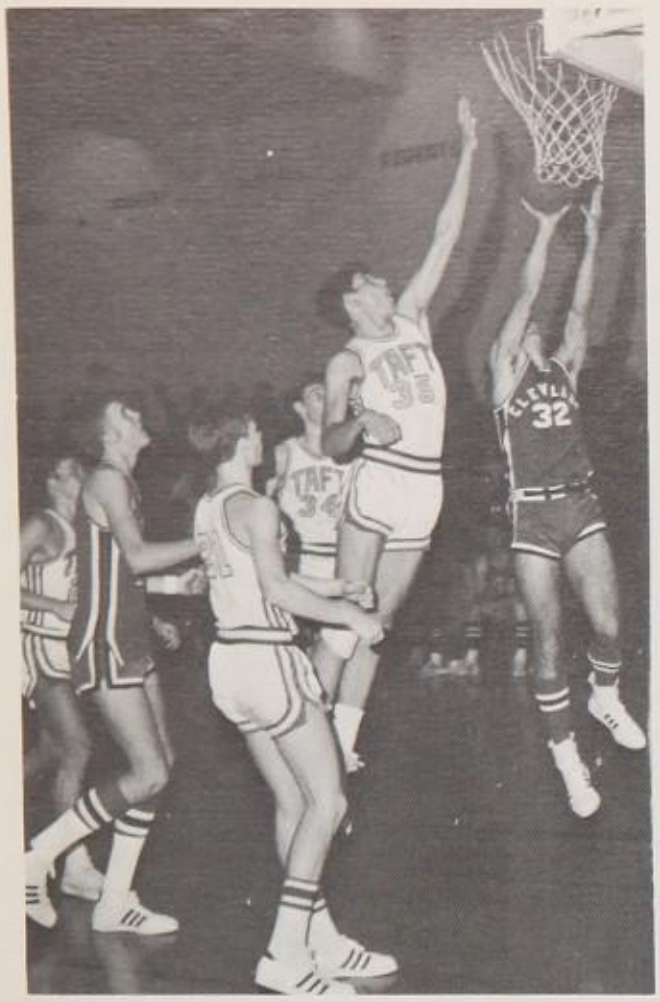
Greg Rehberg goes over everyone to tip the ball against Chatsworth.

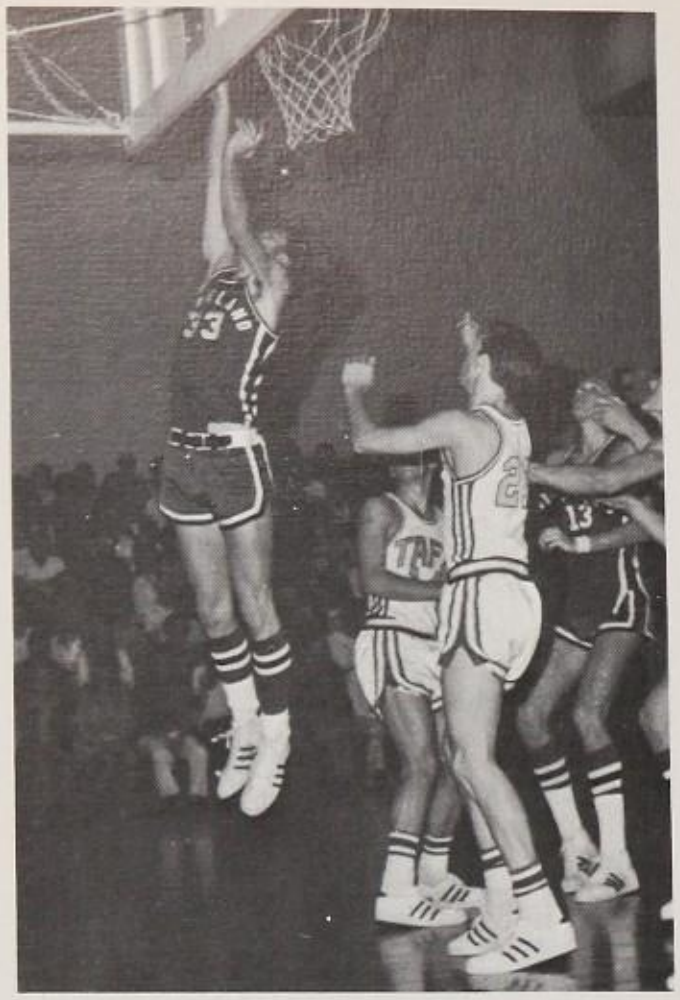
Dan Elvester and Jim Kent battle the Chancellors for a rebound.

Bob Austin drives through the Chatsworth defenders in contest at Cleveland.

The Cleveland Varsity basketball team entered league with a perfect record of four wins and no losses. Leading the Cavaliers' attack was Senior guard Al Nelson who led all scorers with 21 points. Junior starting guard Bob Austin contributed 11 points and had 7 assists. The Cavaliers were successful in their first league encounter, whipping the tall Chancellors by a score of 71-59. In their second contest, led by Paul Rolfzen's 20 points, the Cavaliers beat the Chancellors 58-54.



John Howley comes in for a left-handed lay up against Taft.

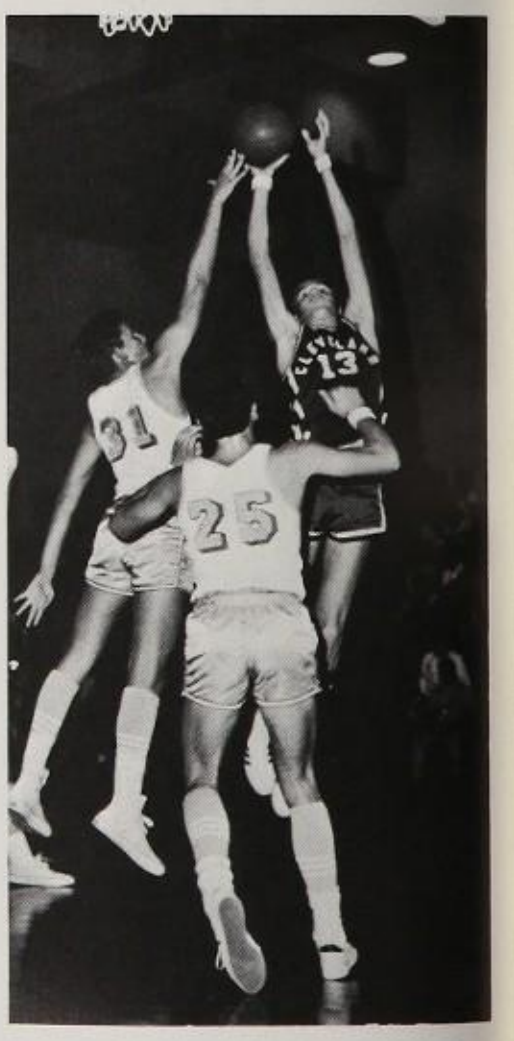


Paul Rolfzen sneaks in behind Taft defenders to score an easy one.

Jim Kent just gets away a shot against an oncoming Toreador.

Al Nelson is up high to score over a bedazzled El Camino defender.

John Howley drives in for a lay up against El Camino.



Dan Elvester goes up and over a defender from El Camino.

Entering their second league game, the Cavalier Varsity basketball team was shot down by a score of 72-58 from a hot-shooting Taft basketball squad. Heading the Cavaliers were Al Nelson who had 18 points, Dan Elvester who chipped in 14 points, and Junior guard Bob Austin who passed for 11 assists. In their second meeting, the Cavaliers went to Taft to meet the Toreadors. There, the Toreadors jumped off to an 8 point lead and were never to relinquish it. The final score was 77-70. The high scorer of the game was Al Nelson with 27 points.

Cleveland then met El Camino. We walked away from the contest with an easy 71-58 victory. The second time around was a different story. With Al Nelson in foul trouble the Cavaliers had their high scoring punch lessened. With two minutes to go and El Camino down by two points, the Conquistadores began a rampage of fouls which allowed Bob Austin to shoot and make eight straight free throws to cap the final score at 73-63.

Knowing it would be one of their toughest games, the Cavaliers battled the Hunters through the first half to a two point half-time lead. Canoga Park charged out with hot hands in the second half and managed to out score the Cavaliers, 90-78. The Cavaliers were in the game for most of the time due to Al Nelson's fantastic 43 point performance.

Canoga jumped off to a quick lead in their second contest with Cleveland and held on most of the way. In the fourth period the Cavaliers cut the lead by 15 points, but at the finish they came out on the short end with a losing score of 78-61.

The Cavaliers fought all the way against Reseda but couldn't get within their 21 point lead. Al Nelson led all scorers with 29 points.

The Cavaliers' last game of the season was with Reseda. In this game they fought the hardest way they knew how; RUN! At the half they came out only 3 points behind the League Champs. During the second half, however, the Regents slowly pulled away from the battling Cavaliers. Al Nelson bucketed 24 points while Dan Elvester played a superior game under the boards. The final score was Reseda 93, Cleveland 78.

Junior Varsity Basketball

Under the direction of new coach Mike Fatur, the Junior Varsity squad ended the season with a league record of 5 wins and 5 losses. They finished the entire season with a record of 7 wins and 7 losses.

The squad was led mainly by a personnel of tenth graders—a good sign for the Varsity team in the years to come. Junior Craig Alton finished the season as high man on the team averaging 11.3 points per game. Dave Pierce, a small but quick guard, averaged 4 points per game and passed for 29 assists, leading the team in that department. Dennis Brown, a tenth grade starting guard, had his season shortened by a fractured ankle early in league play. Junior Peter Weireter came off the bench to fill in his spot with tenth grader Don Young. Weireter damaged the opposing team's defense with his ball handling and dribbling, while Young sat outside popping in long range shots. Dave Wogahn, Jim Smith, and Roger Armstrong were all strong rebounders this season controlling the boards most of the time. Be on the lookout for these men next year.

The Bee basketball squad finished their season with an 8-2 record in league play and an overall record of 10 wins, 4 losses. The Bees, commonly known as "The Wild Bunch," were led by West Valley League "Player of the Year" Dennis Debevec who averaged 17.3 points per game and shattered the record for rebounds by pulling down an average of 23 rebounds per game. At one forward spot was all leaguer Tom Lewis who averaged 14.2 points and 13.2 rebounds per game. At the other forward spots were Tim Whitaker and Mark Johnston who averaged 5.4 and 6.8 points per game respectively. In the back court were Frank Zazanis, Dale Kimbal, and Dave Howley. Dave Howley was somewhat sidelined, playing behind two seniors such as Kimbal and Zazanis, but always turned in a good performance. Dale Kimbal and Frank Zazanis, also all leaguers, turned in an average of 12 and 13.3 points per game respectively.

The Cee basketball team was led by Cee West Valley League "Player of the Year" Bill Hildebrandt who averaged 18.5 points per game. All leaguer Dave Glover assisted the Cees with his average of 7.8 points per game and his passing for 30 assists. Both the Bee and the Cee basketball teams finished their seasons in second place.

Scream Team

This semester's CHEERful spirit squad was out of sight! Their lively enthusiasm and sparkling spirit added pep to our outstanding athletic and social events. Under the direction of Mr. Mike Fatur, our spirit squad gave all our competitors an example of our fantastic Cavalier soul. Our vigorous Varsity cheerleaders included Bev Mangia, Vickie Larsen, Debby Landon, Mary Soltwedel, and George Simon. Our peppy BEE cheerleaders were Jodi Berman, Debbie Beam, Cindy Fenwick, Odette Lockwood, and Wendy Lockwood. Glenn Owen, Richard Handler, and Jack Shear were our energetic yell leaders, while Sir Cavalier was represented by Mark Ryan. Two more people deserve recognition for their contribution to Cavalier spirit: Mr. Cazes' daughters, Cindy and Chris, our adorable mini-cheerleaders.

Fall G.A.A. 1969

Girls, too, can feel the challenge of competition and the pride of achievement! This semester, members of the Girls' Athletic Association were able to participate in a wide range of sports.

Highlighting this season of G.A.A. was their semi-annual dessert. D'Artagnan Hall was decorated with signs of the Zodiac to carry out the theme, "Age of Aquarius." Cake and ice cream were served by the Lettermen who later brightened the evening with their traditional kisses for the new Lettergirls. After the entertainment, provided by a group of drama students, the new G.A.A. cabinet was announced.

Spring G. A. A. 1970

The girls' athletic program at Cleveland has been greatly altered to encourage more participation in athletic competition between schools. This year Cleveland organized a Girls' Softball Team, whose exceptional skill and talent brought honor and recognition to our school. The wide variety of sports this semester included softball, volleyball, gymnastics, marching, and bowling.

The Long Awaited Year

Even as early as two years ago, the members of the J.V. and Varsity knew that the 1970 Varsity baseball squad would be the best all around baseball team in Cleveland's history. The young men who comprised the team were looking for a city championship as we had in 1965. Assembled in this year's team is the finest group of athletes that will be found anywhere in city high school baseball.

This year the baseball team had only two scrimmages. Those were with Granada Hills and Van Nuys. They then went into three rounds of league play instead of two.

Heading our team are returning all-leaguers Tom Gleason and Randy Jones. Brian Wines, Jim Fenwick, Dave Cunningham, and Phil Barnes are all returning lettermen. Combining those boys with the majority of last year's talented J.V. squad, the Cavaliers should once more bring a championship banner to Cleveland. Strong pitching, hitting, and excellent fielding is what the Cavaliers ran on this year. The long awaited year has finally come; and with it, has come the long awaited team.

Coach Dave Preciado

CHATSWORTH: Tom Nelson opened up the Varsity league competition in baseball this year with a three-hit shutout over Chatsworth. Tom dominated over the "Orangemen" the whole game, having only two balls hit off of him out into the outfield. Phil Barnes led off the third inning with a single to left, then proceeded to steal second base. On the steal, the ball was thrown into center field which allowed Barnes to take third. Then the Chancellors walked Nelson. On an attempted steal of second, the ball was once again thrown into center field, allowing Barnes to trot home for the only and winning run of the game. Randy Jones, Frank Bowling, and Tom Gleason also got hits for the Cavaliers in their first league victory, 1-0.

TAFT: The Cavaliers traveled to Taft to face the always tough Toreadors in what could have been one of Cleveland's hardest games of the season. Jim Fenwick opened up the game with a single to right-center. This started a first inning four run rally. Pitcher Tom Gleason came out and had a pretty shaky first inning allowing three runs, but then settled down conceding only two more in the next six stanzas. The credit of the day was given to Randy Jones. Jones went two for three with a single and a home run. He batted in three runs and scored three times himself to give us the final edge over Taft, 6-5.

EL CAMINO REAL: Coming off with a slim victory over Taft, the Cavaliers traveled to El Camino for what was to be another close contest. In the top of the second inning, Frank Bowling led off with a single to left-center. Phil Barnes then laid down a perfect bunt along the base line pulling the third baseman, pitcher, and first baseman all inward. Bowling went to third and Barnes was safe at first. Rich Rehder then singled to left bringing home bowling and sending Barnes to third. A double steal on the next play scored Barnes for the second and final run of the game. From here on it was pitcher Tom Gleason all the way. He held El Camino to three hits the entire game and virtually handicapped the Conquistadores for every inning except the sixth, where El Camino collected its three hits. But being unable to score, El Camino wound up on the bottom. The final score was Cleveland 2, El Camino 0.

CANOGA PARK: Against Canoga, the Cavaliers jumped off to a quick lead and gave the impression that this would be an easy victory. Frank Bowling started the first inning rally with a triple to right-center, followed by singles from Phil Barnes and Randy Jones. This gave Cleveland its first lead of the game, 3-0. Going into the sixth inning, the Cavaliers still held the lead, 7-2. As pitcher Tom Gleason began tiring, the Hunters came to life. Before Cleveland knew what had struck, the Hunters had passed five men over the plate to tie the game at seven all. Lew Winchell came in for Gleason in relief. Unable to find the strike zone, he walked in a run with the bases loaded. This last run was all Canoga needed as they held the Cavalier bats in the last two innings and walked away with a 9-7 victory.

RESEDA: In their first meeting of the year, both the Cavaliers and the Regents were ready for a real game since they were currently tied for first place in the league. In the first inning, numerous errors led the score to drift over to the Regents side by a 3-0 margin. Settling down, the Cavaliers then went the next six innings allowing only one more run to the Regents. In the meantime, however, the bats of the Cavaliers were quiet, except for Phil Barnes who collected both hits that Cleveland had throughout the game. Pitcher Tom Nelson received the loss although he gave up only four hits the entire game. All four runs off Nelson were unearned. As the game started, the game ended. Cleveland took its first loss in league by a score of 4-0.

Junior Varsity Baseball

This year's Junior Varsity baseball team was comprised of both young men returning from last year and new tenth-graders. The pitching was strong this year with Bobby Austin and Brad Ayres doing most of the hurling for the J.V. squad. Returning from last year's team were Tom Larini, Gary Stephens, Steve Vargo, and Bob Young. Under the superior direction of Coach Lew Silverman, the Junior Varsity men had an excellent season. This year, baseball at Cleveland should prove to be very successful. It appears that Cleveland may possibly field two championship teams. At press time, the J.V.'s are in the first place spot along with Reseda for West Valley league play.

Coach Dave Kurtz

Cleveland's 1970 Varsity track teams might have been composed of many young members, but these young men proved to be outstandingly strong in almost every event. Along with the Seniors, the Juniors and Sophomores banded together to produce one of Cleveland's most exciting and successful track teams. Coach Jim Cromwell has all the potential a track coach can possibly have. This year's team was loaded with both expert distance runners and sprinters, not to mention the fantastic performances by Cavaliers in field events. The amazing part of all these accomplishments was the fact that almost half of the team members were not Seniors. This goes to prove that fine coaching and hard work pays off. In the short sprints, our team was led by Barry Glendenning, Dave Howley, Russ Stoddard, and Brent Tubb. These runners were successful throughout the season. In the hurdles, Bob D'Alessandro and Mike Young were the team's standouts. Our superb long distance runners were led by Senior Mike Boyce, Junior Brent Tubb, and Sophomore Scott McGalliard. These men gave the team a strong leg in such events as the 880 yard relay, the mile, and the two mile. In the high jump pit, Junior Russ Stoddard along with Senior John Spear put their talents together to earn many a valuable point for the Cavaliers. Returning letterman Paul Rolfzen again led the long jumpers. Dave Widell was just ahead of Dennis Adkins and Harry McCall in the pole vault event. One of the most promising field activities that Cleveland had this year was the shotput event. All of the competitors were Juniors, with Chuck Wilson leading the pack. His best put, 52 feet 3 inches, came early in the season. With the help of Bill Nye, Rich Redlin, Don Stark, and Jim Tindell, these musclement will be unbeatable next year. It was a perfect season for Coach Cromwell and Coach Kurtz. Each of these skilled men did a fantastic job of helping these athletes give their finest performances.

Cleveland's Young Number "1"

Junior star Brent Tubb crosses the finish line once again in the mile run.

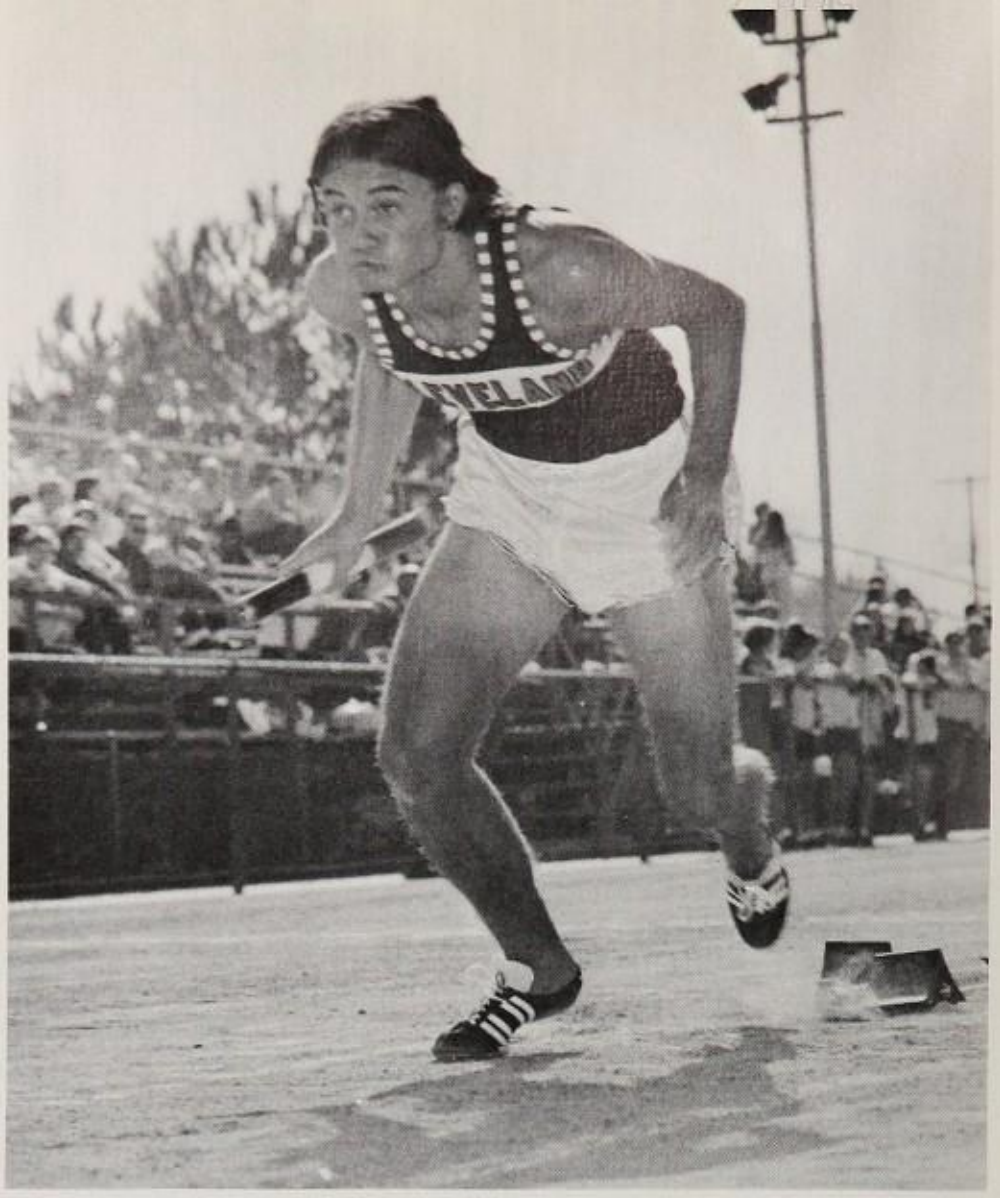
Another Junior star, Russ Stoddard, clears the bar easily as he collects more points in the high jump event.

Sophomore Scott McGalliard leads the pack with Tim Smith running third in the two mile run against Chatsworth. Both runners proved to be successful throughout the season.

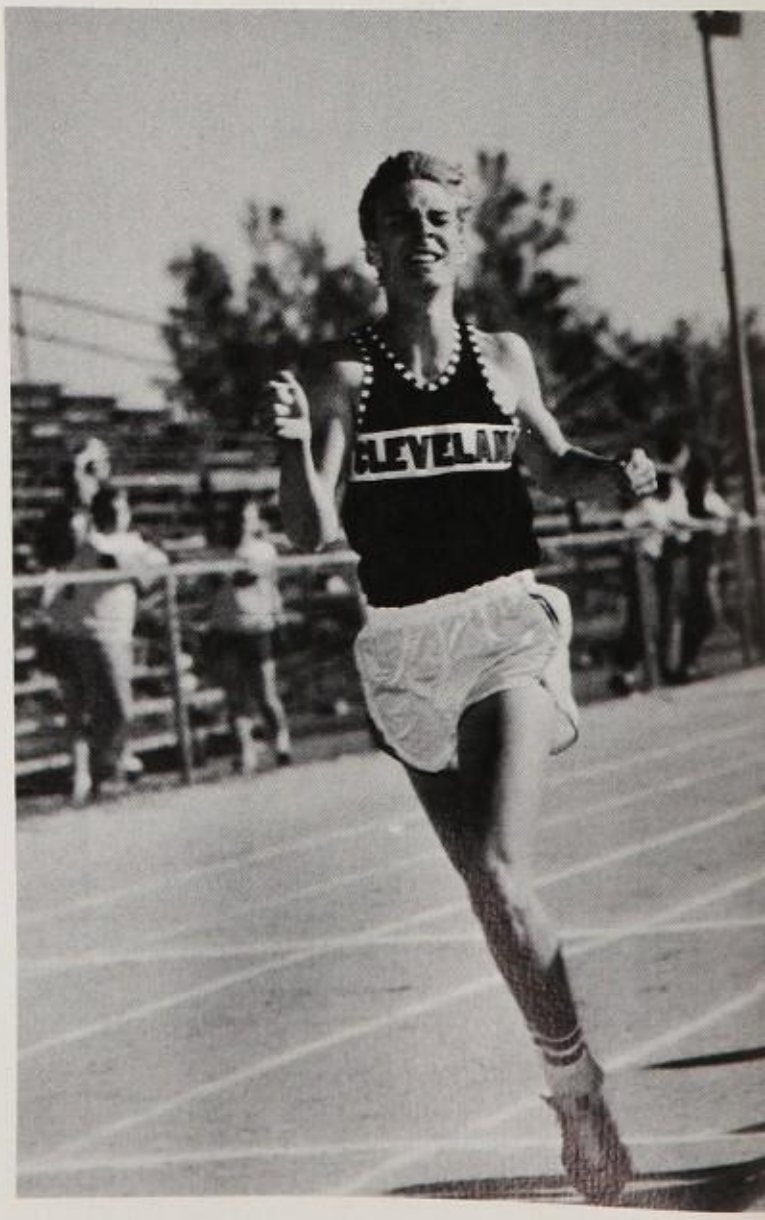
Mike Boyce holds pace against a Chatsworth runner in the mile run. Mike continued his winning pace all season, gaining many valuable points for the Cavaliers.

Senior Dave Widell easily clears the bar in the meet against Taft. Dave was a consistent winner for Cleveland.

Bob D'Alessandro shows his fine form and speed as he races neck and neck with this El Camino hurdler. In the third lane, Mike Young, another fine hurdler, competes for the Cavaliers.



CAVALIER VICTORY — In all four photos, Cleveland's tracksters reveal looks of concentration, dedication, determination, and anticipation. Each man's seemingly agonizing expression depicts his desire to be victorious in his event. They are all juniors, so watch out West Valley! At top left is Bill Nye in the shotput event. Bill has greatly improved in this event. At top right is fine speedster and highjumper Russ Stoddard. Below left, Barry Glendenning, competing in sprints, wins a race against Taft. Below right, distance star Brent Tubb wins another. Brent set the city mile record.



Senior Paul Rolfzen was a consistent winner and a very fine competitor with a lot of determination as he demonstrates here, in the long jump event.

Senior Dennis Adkins clears the bar with room to spare, as he did all year, to collect many important points for "the hot wheels."

Number one shot putter Chuck Wilson shows his fine form and strength in the meet against Taft. Chuck put 52 feet, 3 inches early in the season.

Junior Russ Stoddard hands the baton to Junior Dave Howley in a relay race. Cleveland was known this year for its outstanding relay teams.

Cleveland Varsity Gymnastics 1970

This year's gymnastic squad picked up where they left off last year by winning their first three encounters. They started off the season by defeating Verdugo Hills 65-55, and then completely washing out Grant 81-31. In their first league meet, Cleveland overcame Chatsworth by a score of 65½ to 54½. Although they lost to Taft in their second league contest, Coach Contreras feels that this will be their only loss of the season, and hopes to have a fine representation in the city-finals.

This year's team was carefully and expertly organized by Coach Contreras. The team was well balanced with its stand-outs Larry Lyons, Mark Matlin, Joe Yakura, and Pete Rodriguez. Other exceptionally fine team members were Robert Nunn, Charlie Richards, Chris O'Neil, Gary Sanderson, and Paul Harvey. All the team constituents worked and competed together, each man giving his all for the good of the team.

Other outstanding team members who contributed extensively were Larry Ballow, Julian Cano, Don Chimienti, Ron Cookson, Robert Del Giorno, Richard Diaz, Frank Ebersole, Mike Johnson, Jeff Lulla, Casey Mahoney, Jim Miller, Tim Theule, and Paul Tornbom.

Cleveland Varsity Swimming 1970

Cleveland's Varsity swim team caused a great splash in this year's competition. Under the direction of Coach Steve Schofield, our Cavalier aquatic men made up the greatest swim team we have had. Bee and Cee Swimmming

The Cavalier Bee team was made up of young swimmers who lacked the size and experience for Varsity, but certainly not the talent! The squad leaders were Nonny Caiserman, Rick Jarvis, Dave McCall, Bill Prinzing, Wayne Reeves, and Phil Tuttobene. The depth and the balance of swimming talent in this year's Bee squad assures Cleveland of having a first class Varsity team next year. With divers like Craig Curtis, Greg Osborn, and Bill Prinzing, we can also be quite certain that next season's diving event won't be left up in the air.

Composing our small but powerful Cee squad were such able bodied young men as Pete Adler, Jody Baral, Scott Forman, and Gary Leeds. The fine showings from all three divisions were consistent with the team spirit and ability that make Cleveland's athletic department number one.

Cleveland Varsity Tennis 1970

The Varsity Cavalier net squad of 1970 was led by the strong singles play of Blair Levin, Mike Montano, and Ron Saunders. New additions to the team included singles players John Roth and Mike Ferrarese. Doubles play was led by the exceptionally fine teams of John Erickson-Brian Taylor and Bob Drake-Tim Bergstrom. Practice matches with Polytechnic, Grant, and North Hollywood proved disappointing as Cleveland was trounced by each team. But matches with Agoura and San Fernando proved to the team and Coach Arnie Leckman that they had the potential to beat anyone, as both teams fell to the crushing Cavalier netters, 7-0 and 6½-½ respectively.

In league play, the Cavaliers lost a close opener to Chatsworth, 5-2. The remaining matches in the season promise to be tough, as Taft and El Camino Real had strong pre-season records also.

Cleveland Varsity Golf 1970

Cleveland's golf team enjoyed an excellent season. As of the printing date, they played eight practice matches and have won seven. They are a team that could go far this year if all goes well. Some of the top players who made up the team were Rick Bogle, Jim Craig, Kelly Crone, and Bob Jacobi. All are excellent golfers, and have led the way to Coach Ray Todd's first big season.

Spontaneous Spirit

What is a cheerleader? A cheerleader is more than a cute girl that flashes a smile at you in the hall. She's a girl who steps beyond the pride befitting one of the selected few. She radiates spirit in victory or defeat. And what is a yell leader and a Sir Cavalier? Each are young men who support Cleveland on and beyond the playing field. This semester's spirit squad, led by Vickie Larsen and Rich Greenwood, abounded with energy and vitality. The cheerleaders were Debbie Beam, Jodi Berman, Jan Fenwick, and George Simon. Our yell leaders were Larry Holmquist and Jim Kelly. Chuck Weber portrayed Sir Cavalier. This semester's sponsor was Mrs. Diane Bennett, a Cleveland alumnae and former cheerleader. She, like the squad, has never lost the pride and dedication that makes our spirit squad number one.

Girls' League is an organization which encompasses the entire female portion of the student body and is directed by a cabinet elected by the girls in a general student body election. This year, Girls' League was involved in many activities. They sponsored a successful Vice-Versa, an Easter project for Head Start, a fund raising drive for our Korean orphan, and a fantastic assembly featuring a speaker from the Women's Liberation Movement.

Following tradition, Girls' League sponsored Girls' Week, an event which offers girls the opportunity to assume administrative positions in the school and in the community. The greatest accomplishment by Girls' League this year was the acceptance of pants as school dress for the girls at Cleveland.

Coach Phil Berk

There was only one word to describe Cleveland's Speech and Debate team as it finished the 1969-1970 school year—winning! The Cavalier forensic squad traveled from tournament to tournament, picking up awards wherever they went. Individually, and as a team, the Cavaliers were the ones to beat.

The first tournament of the year saw the Cavaliers traveling to South Torrance High where, in statewide competition, they placed finalists in three events: Carol Christy, in dramatic interpretation, Sue Miller in oratorical interpretation, and Jim Cameron in impromptu speaking.

A week later, the semester got off to a great start at the fall Novice tournament held at Cleveland. The Cavaliers won three out of four sweepstakes trophies in interpretive events, original events, and overall sweepstakes. Additionally, the team placed second in debate behind Birmingham but ahead of Notre Dame, Taft, and Granada Hills.

Individually, seven bronze medals were won by Cleveland students. Anne Klindt received a double honor: a medal for debate and one for impromptu speaking. Other medalists were Blair Levin for debate, Bev Segner and Tim Patterson for oratorical interpretation, Chris Maier for expository speaking, and Dave McDermott for original oratory.

The following week, the Cavaliers traveled to Torrance High for the first Junior

Varsity tournament. Despite a challenge from all the Torrance schools as well as Fremont, Gardena, and Birmingham, Cleveland captured the Grand Sweepstakes trophy. Among our medalists were Tom McGuire, Tim Patterson, Frank Irving, and Carol Larson.

Two weeks later, Cleveland made it a triple sweep for the semester by again capturing the Grand Sweepstakes trophy at the first Varsity tournament held at Palos Verdes High. Four Cavaliers received medals at this tournament: Jean Arbogast, Jana Christianson, Jody Diamond, and Sue Fouse. Nine other Cleveland contestants were awarded Certificates of Superiority

Attempting to repeat this triumph again in the spring, Cleveland found its plans foiled twice by Birmingham. At both the Novice and the Varsity tournaments Cleveland placed second behind Birmingham losing by only one point each time.

In February, the Cavaliers traveled to San Fernando High for the spring Novice where four speakers received medals: Alice Waznis for oratorical interpretation, Gail Randall for oratorical analysis, Sherry Chadwick for program reading, and Tim Patterson for original oratory.

A week later, the squad scored a smashing victory at Van Nuys High by capturing the Junior Varsity Grand Sweepstakes trophy. Cleveland scored 67 points over the second place total of 37 points. Individually, eight Cavaliers were rewarded medals: Jody Diamond and Melody LaMontia for dramatic interpretation; Dave Howley and Bridget Flanagan for oratorical interpretation; Alice Waznis and Mike Kurtz for humorous interpretation; Wendy Lockwood for program reading; Sue Miller for original oratory; and Anne Klindt for impromptu speaking.

Again it was only one point which defeated Cleveland's Cavaliers at the spring Varsity tournament at Cleveland. Cleveland once again captured the Interpretive Sweepstakes trophy, a feat which it has accomplished at every single tournament attended in the past four semesters. Individually, five Cavaliers received gold medals: Carol Christie, Jana Christianson, and Karen McComiskey for dramatic interpretation; Sue Miller for oratorical interpretation; and Don Stark for expository speaking.

Finally in April, the Cavaliers qualified three students to the State tournament held during May in Stockton. Bob Keller for original oratory and Chris Maier and Anne Klindt for impromptu speaking earned this honor by placing third, fourth, and second place respectively.

Semi-finalists at the tournament included Carol Christy, Jana Christianson and Karen McComiskey for dramatic interpretation; Jody Diamond for humorous interpretation; and Tom Nelson and Sue Miller for oratorical interpretation.

To create a school newspaper with sports highlights, editorials, short stories, and other interesting articles is difficult in itself; but to do all this with the high quality as that which is found in Le Sabre separates an excellent newspaper from a good newspaper. Under the guiding hands of Mr. Ralph Hyde, Le Sabre staff and Journalism II students have pooled their efforts to compose the finest school newspaper in the valley.

One hundred seven times spirit equals what is most assuredly the Number One Drill Team in the country! Members of the Cavalier Drill Team practiced five days a week to make the 1969 season the best ever, showing that being Number One takes more than just talent. Leading the Drill Team in their tenth season was the Sponsor, Mrs. Yvonne Fisher; the President, Vikki Smith; Vice-President, Debbi Schaack; Secretary, Vanessa White; and the Treasurer, Linda Hazlett. The Routine Chairman, Mary McCarthy and the Assistant, Diane Bottone, made up this year's routines with the aid of the Routine Committee.

Whitley, P. Strassel, J. Leirich, J. Owen, L. Wilson, Mrs. Y. Fisher.

In an effort to show the exceptional spirit and pride that so typifies the Cavalier Drill Team member, a new Friday outfit was developed.

To climax our greatest season, our Cavalier Band and Precision Drill Team held their annual dessert. To the theme of "Those Were The Days," Drill Team reviewed the exciting past, represented the spirited present and foretold the promise of a fantastic future! Highlighting the evening was the announcement of next year's officers and this year's Outstanding Drill Team Member, Kathy Biro.

On Friday nights the tense atmosphere and anticipation that prevails before the last half of our football games is broken by the sound of music, as our great Cavalier halftime show begins. Leading the band this year was Drum Major Ron Combes and Band Sponsor Mr. Richard Fisher. The talented members of our Marching Band performed a completely new program of music weekly in accordance with various routines which were a representation of the spirit and pride that typifies a Cavalier. The end of the football season was marked by the Band and Drill Team Dessert in which Ron Combes and Pat Borland tied for the "Outstanding Band Member Award."

These musicians do more than perform at football games. They appear at the graduation exercises and have become as much a tradition as the alma mater.

Les Mémoires Staff

Whether or not this Les Mémoires will be remembered as the best yearbook Cleveland has produced is yet to be seen. If, however, doubts arise as to whether this year's staff was sincere in its efforts to create a superior yearbook or not, they are unfounded. From the beginning of the year, staff members have strived for perfection. We have set personal standards above those expected and labored to achieve them. Through all the arguments and trivial disagreements, twelve individuals have come together to do better than the best.

As Co-Editors in Chief, Terri Grazulis and Debbie Dierinzo have borne the responsibility of bringing the separate sections together to form Les Mémoires. Bev Segner has sacrificed much of her free time to type copies or finish papers that were turned in late. Working together as Sports Editors, Jim Fenwick and Lew Winchell have created the best sports section in Cleveland's history. As Seniors Editor, Rick Bogle has combined dedication with hard work to produce a picture gallery of memories. Debbie Freitas and Lincoln Farnum have continually produced outstanding photographs for the editors, and Art Editor Jane Hennelly never falters in her production of impressive art works. Working alone on her Campus Life section, Kathy Biro has demonstrated she needs no assistance to do a superb job. Jodi Berman coupled with Dennis Wolfe have done an above average job in their Clubs and Organizations and Underclassmen sections. The driving force behind us all, however, was Mr. James Anderson whose assistance and guidance has made this the most memorable year of our lives.

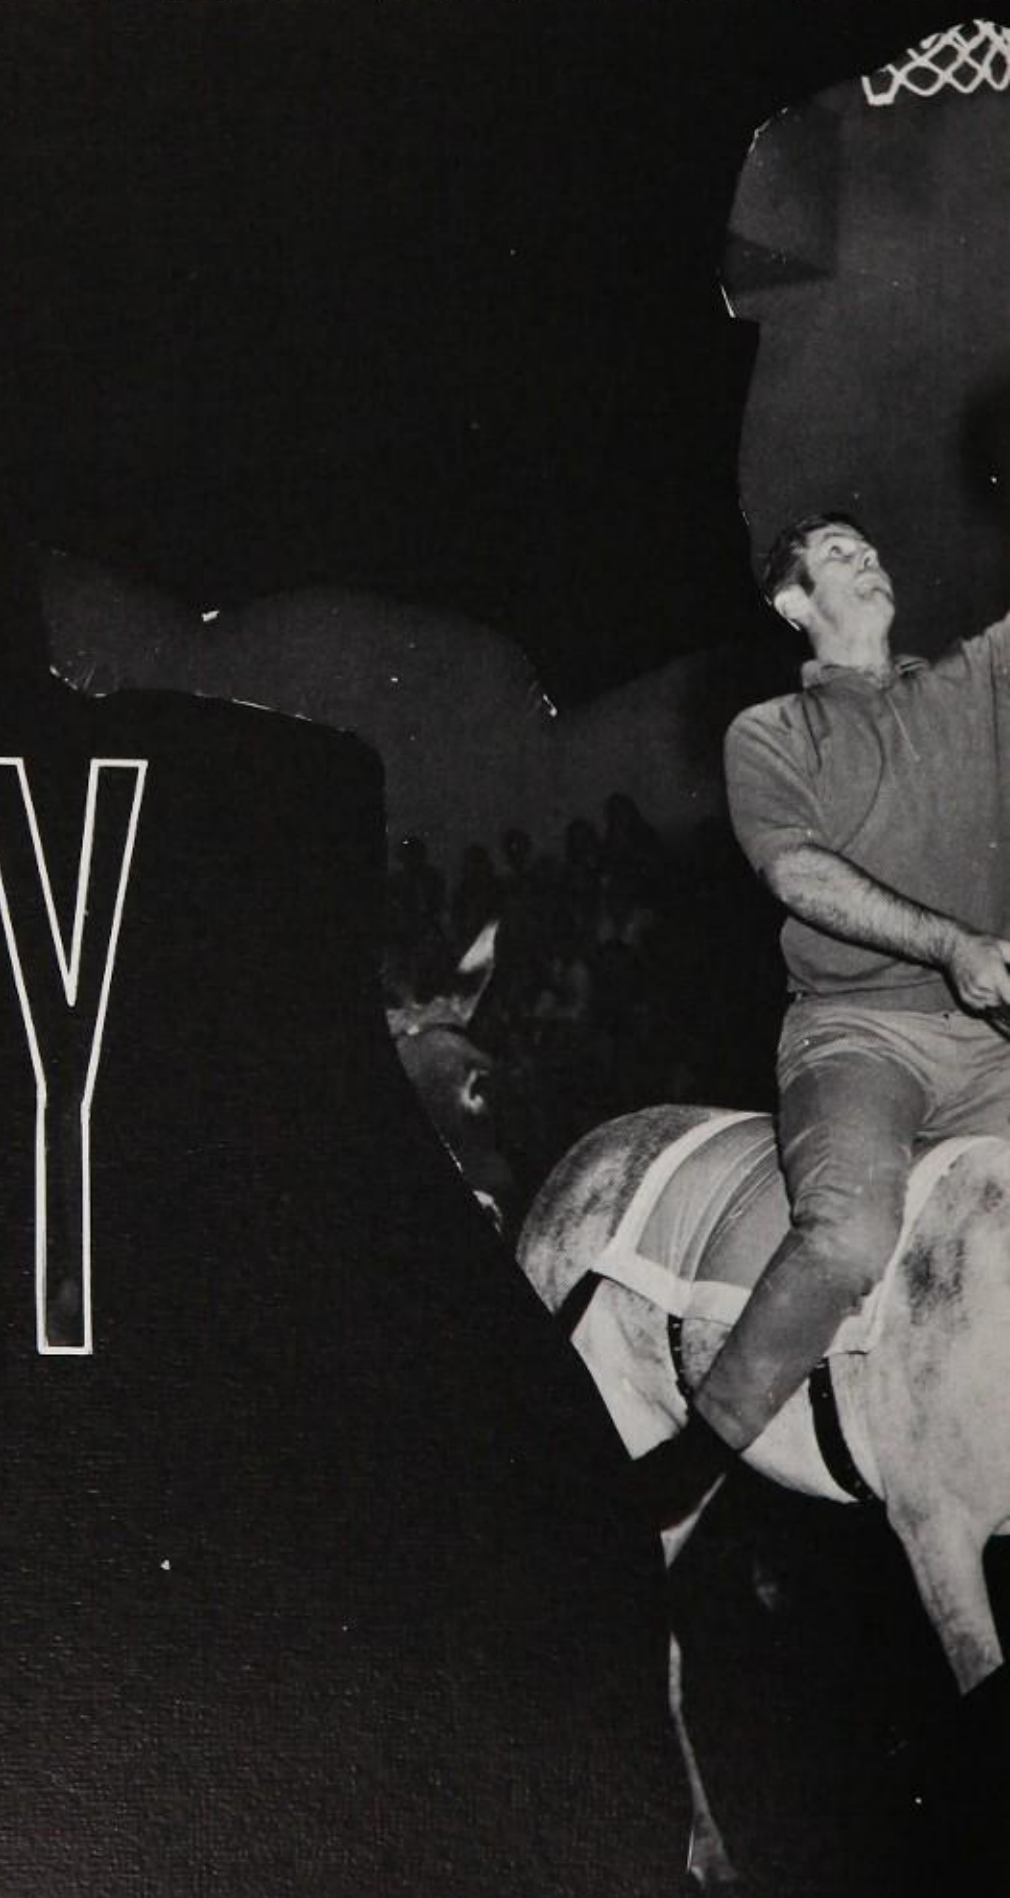
ADMINISTRATION AND FACULTY



N

Administration

The administration of school policy is not an easy task. Fortunately, we possess administrators who are capable of meeting the challenges of today's impending problems with effectiveness and efficiency. Our administrative team, headed by Cleveland's number one Cavalier, Miss Johanna Hofer; our Girls' Vice Principal, Miss Dorothy Rakestraw; and our Boys' Vice Principal, Mr. James DeFrates, are constantly endeavoring to become aware of student needs by improving communications. To this end, they have sacrificed their time to meet with Cavaliers at student forums, during lunch, to discuss controversial issues which are of interest to our student body. The concern and enthusiasm of our administrators makes them a team vital to the proficient management of our school.

As today's sun sets
We leave familiar surroundings.
Our eyes seek the first glimpse of dawn
Which will illuminate new horizons.
The beginning . . .
